A. Workman's building and adjoining structures, Montreal, Que., loss \$200,000.

During the month of November 108 building permits, valued at \$431,650, were issued in Montreal, Que. This shows an increase of \$118,000 over the same month last year.

In the basement of the City Hall at Medicine Hat and under the supervision of the City Engineer,

several men are employed in the manufacture of cement pipe for the city. The capacity of the plant is about 500 feet per day and the engineer estimates a saving of 5 cents per foot as well as freight charges, on the price that would have to be paid were the pipes bought in the east.
