STOCK GOSSIP.

In writing to advertisers please mention the Farmer's Advocate.

In this issue, page 77, Wm. Hodgson, Brooklin, offers for sale a number of excellent Mammoth Bronze and Wild Turkeys. His stock is very fine.

Walter James, Maple Grove Farm, Rosser, writes us under recent date: "Have made the following sales of Large Improved Yorkshire pigs: One boar, Mr. J. O'Neil, Middle Bluff; 1 boar, Mr. J. Galbraith, Rosser; 1 boar, Mr. George Ranson, Rosser; 1 sow, Mr. Robert Tait, Rosser; 2 sows, Mr. William Tait, Headingley. Could have sold twice the number of sows if we had them. My cattle have done very well. Nonpareil 48th, bred by O. W. Russell, of Richmond Hill, Ont., has dropped a fine bull calf to Sir Walter of Beresford; Priscilla 2nd, bred by Hon. M. H. Cochrane, of Hillhurst, Quebec, dropped a heifer to same sire."

"Probably the most important and valuable importation of horses ever brought into the Saskatchewan country has just been added to the Macfarlane Ranch," says the Saskatchewan Herald. "Mr. J. M. Macfarlane, of the above ranch, near Battleford, has recently purchased the following well-bred Clydesdales: The imp. stallion Neptune (821) (601), and along with him Ringleader (2062), and the mares Beresford Flower (831), Victoria of Beresford (1901), and Lady Beresford (1075), from the well-known importer and breeder of Clydesdales, Shorthorns, etc., John E. Smith, Beresford Farm, Brandon, Manitoba."

Mr. Peter Lamarsh, Wheatley, Ont., writes under date of Feb. 8th: "You may continue my ad. on same conditions as before, but I do not need any enlargement of space, as I am unable to fill the demand now. Enquiries are coming from all over—even from U.S. I have lately sold pigs to the following parties:—Rev. Trappist Fathers, Oka, Quebec, a trio: C. Hamilton, Picton, N.S., 1 boar and one sow (bred); Ed. Hughes, Salford, Ont., 1 sow (bred); Chas. Antice, Springfield, Ont., 1 boar and 1 sow (bred); S. A. Connell, West Essa, Ont., 1 boar; Sol. Coffel, Wallaceburg, Ont., 1 boar; R. H. Pope, Cookshire, Quebec, 1 boar; Jeff Mills, Mersea Township, two sows in farrow, and a sow bred for a gentleman near Kingston, Ont."

Messrs. Silver & Smith.

Messrs. Silver & Smith, the proprietors of Grand's Repository, 51 to 57 Adelaide Street, Toronto, have bought this well-established business and commenced operations under most favorable circumstances. Mr. Walter W. Smith was manager for Mr. Grand for eleven years; he is very popular, and is considered an upright and capable man. Mr. Silver is said to be a man of considerable means, and an able auctioneer. Every Tuesday and Friday throughout the year an Auction Sale of Houses, CARRIAGES, HARNESS, etc., is held. A Great Combination Sale will be held by this firm on March 30th and 31st next. This promises to be one of the largest and most important events ever held in Canada.

A. M. & R. SHAW'S GALLOWAYS.

A visit to High Park Stock Farm, Brant County, A. M. and Robert Shaw, proprietors, will well repay all lovers of Galloway cattle, as here can be seen some of the choicest specimens of the breed. Prominent in the herd may be noticed the grand imported cow, Countess of Murray, sired by Crusader, winner of champion cup at Edinburgh Highland Show in 1884; also Gem 3rd of Drumlaing, a prize winner at Toronto and London; a number of promising young bulls and heifers, sired by imported Count Monk, whose grand sire was the renowned Harden, bred by Thomas Biggar & Son, Scotland, are now ready for breeding. The celebrated prize-winning bull MacCartney, purchased from Mr. McCrae, now heads the herd. The High Park herd was first placed in the principal show rings of the Province last season, and succeeded in winning sixteen prizes, a number of which were firsts.

NOTICES.

THAMESVILLE, May 28th, 1892.

Gentlemen: I have been using several packages of your Blood Purifier, and find it the best condition powder I ever used.

Yours truly,

GEO. M. CRAWFORD.

A CHEAP, EFFECTIVE POWER—SECTIONAL STEEL WINDMILLS.

The great saving in labor and gain to the stock by the use of a Steel Windmill for pumping water is not fully understood by Canadian farmers, yet our American friends are more wide awake in this respect, and windmills are as common as other implements, but indications are strong that they are rapidly coming to the front in Canada. Thousands of Canadian farmers have been, and are looking for, a satisfactory power which is reasonable in price and effective in operation. Unless appearances are very deceptive, and a number of wide-awake and trustworthy men have been dreaming, the long-looked-for article has at last been found. We refer to the "Ideal Jr." Sectional Steel Wind Engine (the only steel sectional wheel mader, manufactured by Gould, Shapley & Muir Co., Ltd., Brantford, Ontario). The firm is composed of reliable and experienced men, and they guarantee good results from the power and pumping windmills, and will be glad to give any desired information to farmers, stock-raisers, or any users of power for light machinery. The power mill will run large cutting boxes, grain-grinders, root-pulpers, saws, etc. Their advertisement appears in this issue.

BROOKLIN, ONT., Sept. 4th, 1890.

DEAR SIR,—I cannot afford to be without your "Little's Sheep Dip and Cattle Wash." It is not merely useful for Sheep, but it is invaluable as a wash for Cattle, etc. It has proved the surest destroyer of lice, with which so many of our stables are infested, I have ever tried; it is also an effectual remedy for foul in the feet of Cattle. I can heartily recommend it to all farmers and breeders.
