# Have You Tried

**The Marvellous Remedies  
of the Eminent Professor,**

## DR. COLLINS,

**Of the Great University of New York, President of the New Medical Institute,  
140 West 34th Street.**

**Catarrh of the Nose and Throat.**

Milwaukee, May 3.

Dear Doctor,—

The very first remedies you sent were sufficient to cure the catarrh of the throat of the most intense kind. I cannot sufficiently thank you.

MRS. DUTHEIL.

**Catarrh of the Nose and Throat.**

Johnstown, May 6.

Mr. Professor,—

I began your treatment incredulous. I never believed you could cure me of such a chronic catarrh. But the evidence is here; I am completely cured.

REV. PAUL LETAILEUR.

**Piles.**

Grand Rapids, May 9.

Dear Doctor,—

Your remedies for piles are marvelously efficacious. I have recommended them to all my friends. For myself, I am infinitely thankful.

MISS LEPIC.

**Deafness.**

Kountze, May 4.

Mr. Professor,—

After in vain trying all other remedies, I at last found in yours what I required. After twelve days with your remedies I recovered use of my hearing which I lost for so long. I can't tell you how happy I am.

JULES MATHON.

**Diseases of the Womb.**

Buffalo, March 19.

Mr. Professor,—

What a happy inspiration it was when I wrote you. Without an operation, you cured me of a horrible womb disease. Two of my friends are writing you today. Do not delay answering them.

MRS. LEFLON.

Would that we could convince the great number of sufferers that if they suffer they alone are to blame. Pretending they have neither money nor time to seek the advice of a specialist, they go on suffering until their malady becomes incurable.

**We Can Affirm**

that a very simple remedy is found in the remedies of Dr. Collins. Write a simple letter, or, still more simple, answer the questions given below, and the following morning you will receive a letter, with the treatment to follow.

**Dr. Collins Cures**

all diseases, no matter of what kind. Science and his experience help him in making the most marvellous cures where others have failed.

**At a Distance,**

without even seeing the patient, and simply by an examination of the symptoms sent him. Thus, he diagnoses the case, and never makes a mistake in deciding what treatment is to be followed, and which is certain of success.

**By the Most Simple Methods**

he causes the disappearance of the sufferings, replaces the organs in a healthy condition; in a word, re-establishes order. In all the diseases which are ordinarily operated upon, Professor Collins, M. D., treats by means of gentle and simple remedies.

**TRY THEM.****We Strongly Recommend You to Do So.**

And after a few days you will be truly thankful, when you see the marvellous relief you have obtained.
