General Intelligence.

The How bles B. Wier and J. H. Anderson had an interview with the Duke of Newcastle, at the Colonial Office, on the 30th ult.

The Pictou Standard says that the coat trade is brisk at present. On Friday last, nearly one hadred weeks were at the loading ground. The rebels are not apprehensive of any forty cars. There are now in Fiction bearded from the mines, each train consisting of from harbor should registry vessels, wany of them American, that have flyen attracted by the higher of rejoirty. The same paper reports the weather unfavorable for hey making thought to the the Morning Herold says:

"ME have a constructed our fleet, and that much damage has been caused.

Gon. Lee boasts that he has a million of pounds of bacon in one warehouse in Richmond and the knows no other means of executing this day. The Pictou Standard says that the total trade is brisk at present. On Friday last, nearly one hadred where the side of the same flate of the proposed of the prop

PROVINCIAL APPOINTMENTS.—Hahfax, Aug. 19, 1862.—His Excellency the Lieut.-Governor, A telegram to one of the Boston papers says 19, 1862. - His Excellency the Lieut.-Governor,

the Rev. J. Hart, removed from the district.

Convention.—Delegates from Nova Scatia—Hon. Mr. Howe, Provincial Secretary; Hon. Mr. Howe, Provincial Secretary; Hon. Mr. Mitchell, the been appointed to confer with the members of the Canadian Government at Quebec, on the 10th of September next, on the subjects of an Intercolonial Railway, and Intercolonial Freetrade. Lord Mulgrave and Governor Gordon, of New Brunswick, are allowed to have no meat, and nothing but an insufficient supply of bread—sour at that—and water poisoned with the filthy sewerage which flowes into the James River,—water that add before the English government in a still more pressing manner with a view to a speedy like Goth heard that Rome was thronged with the fighting of Pope, which has provoked such indignation in the South.

Gen. Pope's order, forbidding guards to be placed around houses in the vicinity of his lines, and the President's order permitting the Federal both to be in Quebec at the same time.

All these considerations have, I repeat, forcibly pressed themselves on the Emperor's mind, and I should not be surprised if they were now which flowes into the James River,—water that a dop or a hog would refuse.

Life and Death in Great Cities.

Where are the Coth heard that Rome was thronged with the fighting of Pope, which has provoked such indignation in the South.

Gen. Pope's order, forbidding guards to be placed around houses in the vicinity of his lines, and the President's order permitting the Federal by a physician of eminent standing that out of 227,000 deaths which annually take place in populations.

But the Goth heard that Rome was thronged with the fighted were now which flowes into the South.

Lord Palmerston has not repudiated mediation come from the Emperor of the French, the Goth heard that Rome was thronged with the fighted which and allowed to a speedy solution.

Lord Palmerston has not repeat the sound and I should not be surprised if they were now had fled before his barbarous in the Goth heard that Rome was thronged

general value, or their especial importance to Ministers and Students. Their authors, men of the nisters and Students. Their authors, men of the highest talent, lived in times of active and earnest

Were all our church members in the enjoyment of perfect love they would exercise a moral power which no human mind can estimate. We hope the book will contribute largely to this result.
