### PERSONAL GOSSIP.

Miss A. Mahrer, of Nanaimo,  
will leave shortly for Europe to  
visit friends and relatives.

E. J. Palmer, the popular man-  
ager of the Chemainus Lumber Co.,  
spent some days in Victoria this  
week.

Mr. M. Hamburger and Mr. A.  
Merrmont, both of Wellington, are  
spending the Jewish holidays in  
the city.

Mr. and Mrs. Mahrer left for  
Nanaimo yesterday, after spending  
a few days here visiting relatives  
and friends.

Mr. Joseph Philo, the talented  
young violinist, will leave for  
Vienna on the 27th to complete  
his musical studies.

Mr. Jack Fannin, Curator of the  
Provincial museum, is all right, the  
report that he had been shot hav-  
ing proved groundless.

Mr. Geo. W. Haynes sailed by  
the direct steamer for San Fran-  
cisco, where he will devote several  
months to the study of his profes-  
sion.

Sir Matthew Begbie, C. J., is at  
Kamloops, where he will remain  
for some time in search of health  
and strength, which, his numerous

friends will be glad to hear, he is  
rapidly regaining.

Dr. George Duncan, the popular  
and hustling municipal health  
officer, has been granted a well  
earned holiday, and left on the  
Warimoo for Australia, where he  
is sure to enjoy himself.

D. M. Eberts, Q. C., of the firm  
of Eberts & Taylor, has taken a  
trip east, partly on pleasure and  
partly on business. He has some  
important cases to watch at the  
coming sittings of the Supreme  
Court of Canada.

The Hebrew Ladies' Society will  
hold their annual Simcha's Thora  
(the rejoicing of the law) ball on  
the 2nd Oct. in their new hall.  
Elaborate preparations have been  
made for the comfort of all. A  
good time is assured to all who  
attend.

The Victoria chess club at their  
annual meeting Thursday evening,  
elected the following officers: Rev.  
J. B. Hewetson, president; J.  
Kingham, honorary secretary-trea-  
surer; Committee—B. Williams,  
A. J. Rowbotham, P. T. Johnston,  
A. Gonnason and F. C. Berridge.  
The club opens on Saturday even-  
ing, the 30th inst. All persons de-  
siring of joining are invited to  
communicate with the honorary  
secretary at 49 Government street.

Mios Miriam Frank, daughter of  
Mr. and Mrs. E. Frank, acquitted  
herself in a most creditable man-  
ner at the examination held at Palo  
Alto Stanford's University, last  
week. Out of 300 students who  
took the examination, only 40  
passed in full standing, and Miss  
Mamie was one of the forty; and  
not alone that but her percentage  
was so much above the average  
that she skipped this year's course,  
and enters upon the second. It  
will be remembered that Miss  
Frank carried off the Governor-  
General's silver medal this summer.  
Mr. and Mrs. Frank may well be  
proud of her.
