THE COMPUTING SCALE CO.

An investment paying from 100 to 1,000 per cent. per annum! A scale that weighs in money. The results are MARVELOUS as well as STARTLING. Your living is in your profits, and your scales regulate that profit. The Dayton Computing Scale tells you just what you are doing. They are the only real computing scale, and have come to revolutionize the method of selling goods by weight. The progressive merchants are buying them.

CORNWALL, Ont., Oct. 8th, 1894.

MESSRS. MILLS & Co., CHICAGO:

Gentlemen,-The Computing Scale purchased from you some time ago has given perfect satisfaction.

It is just what every grocer needs in these times of close cutting prices and keen competition, on account of its great accuracy and as a safeguard against mistakes. We recommend it to all.
