**WE'LL ADMIT**

we found some difficulty in placing our goods with the trade the first few months of our business career, but now it's a different story. There were plenty of good biscuits in the field before ours, but somehow or other our goods have caught on. If you'll send us an order you'll catch on, too, and you won't need to pay the long prices either. Our goods are all right. Our prices are all right.
