How a Bank
Protects
the Public

Few persons appreciate the many services a Chartered Bank renders the public in general. Besides affording facilities for paying and receiving money, and distributing funds to keep the rate of interest equable in all parts of the country, a bank provides a safe repository for private funds and earnings, and thus removes the incentive to robbery that was so common in the olden times when people had to carry their money about with them, or leave it concealed in their houses.

SMALL FARMS IN BRITISH COLUMBIA

The Great Stillwell Trophy, awarded the best collection of potatoes grown in America, at Madison Square Garden, New York City, has just been won by this province.

This is conclusive evidence that British Columbia is a splendid field for truck gardening. Good prices are obtained. The climate is ideal.

Poultry raising, too, is yielding big returns. Much of this product is imported and even after the payment of duty a handsome profit is made.

Very little cash is needed to establish yourself on one of our poultry or truck garden farms at Cloverdale. You can buy from one acre up, on easy terms. Transportation facilities for marketing produce are excellent. Write today for full particulars, maps, etc.

Hoosier Press Drills

Plant at an even depth. Conserve the
moisture in the soil. Insures a good crop

HOOSIER PRESS DRILLS conserve the moisture in the soil, because they pack the earth over the seed when it is sown. This is why the Northwest farmers are more certain of a good crop. The Hoosier gets the seed in the ground at an even depth and covers it. The Hoosier is Light Draft, has a positive force feed, never skips, never chokes. Has the greatest possible strength and will stand up under the severest strains. Absolutely guaranteed—Send for catalog and go to your local dealer and insist on seeing the Hoosier.
