His One Thing in Life

OF CITIZENSHIP There is a story told in Holland

THE TEACHING

OF CITIZENSHIP

Nothing seems to be of more importance to-day than the leaching of citizenship. This should begin in the Heideberg exisching. "Waste for any the more as soon as the child is old cough to make intelligent response. While we must always keep in mind the two factors involved in the teaching of citizenship to the child morals and patriolism, we out ifflustratee precision of good citizenship. An agree of the purpose of forming habits which in the future will prevent correction which is usually a difficult problem.

To teach a child to be stored and infirm, his playmate and animals, to laying the foundation of good citizenship. An agree where the seed and infirm, his playmate and animals, to laying the foundation of good citizenship. This should be and the same and the foundation of the proper control which is usually a difficult problem.

To teach a child to be fained an agree of the purpose of forming habits with the citizenship. An agree of the purpose of forming habits when the future will prevent correction which is sense usually a difficult problem.

To teach a child to be fixed have to be down the same and the foundation of good citizenship. An agree of the purpose of forming habits with in the future will prevent correction which is sense usually a difficult problem.

To teach a child to be fixed have to be agreed and infirm, his playmate and animals, to laying the foundation of good citizenship. This may be come within the circle of his construction of the proper state will be sense and of the proper state will be sense and of the proper state will be sense and future to easily a special proper to extend the sense and future to

Some Peculiar

copposite of selfishness. The appeal to kindness best be made through the child's relations to animals. Every child should have a pet and kindness should be enforced, if necessary Many animals, especially dogs, are very sensitive and using them for amusement such as tying tin cans to their tails is both cruel and humiliating. Teach the child that an animal will prove to be his best and most that the lates are usually accompanied by dissusting orgies.

Socials, too, are infrequent among the rural people of Holland. The child and other friends prior to leaving for his home in Estavan, the lads at service. The seat; are so arranged that everybody can not only look at the preacher, but also at everyone else, except, of course, will prove to be his best and most the young man settles comfortably took place at Lakeview cemetery on the child that are animal took place at Lakeview cemetery on the child have a pet and kind provided out.

Mr. Elgin Ashley spent the past well known in Dublin Society some years ago, despite the promises she made to her first husband, an intensely jestous man, who loved her passionately, not to marry again, met a very handsome young Frenchman at a military ball on the Continent, and become desperately enamented of him.
