TURKISH WAY WITH ROBBERS WHO WOULDN'T BE CAUGHT

Brigands Put on Pension-Tchakirdsky Who is Now on the Government Payroll, Was a Combination of Robin Hood and Civic Reformer

The European newspapers recently | nered the country people would not chronicled the fact that the Turkish dare do otherwise than help him to essovernment had retired on a pension of 1,000 plastres a month a famous brigand, by name Tchakirdsky. His field part and Tchakirdsky return. About of operations has been the Smyrna two years ago a very extensive camvilayet. For the future he will live in undisturbed peace on a farm which has also been granted to him on his promising to lay down arms. Neither police nor Albanians are to be allowed | raided and a sum of money and his wife

besides himself, but they were all at once, but instead of attacking the filets with the military rendered only went at night-or some of his men did too good account of themselves. Each of these minor heroes now receives a town with whose consent and knowlompensation for loss of business."

such as is seldom encountered in these theh mountains, sending notice to the days. When a lad of 12 he was arresttaxes, and while being conveyed under guard to the prison the father remontrated with the soldiers at the amount | na and lost no time in returning the of the tax levied and the means of collecting it, whereupon the guard shot

The boy was put in prison, where he remained some years, time enough for im to reflect upon the injustice done although each year of late has seen a and to conceive a plan for revenge. Upon his release he took up his abode among the mountains back of Smyrna and collected a band of fearless followers. They soon became the terror of the surrounding region.

His object in this sort of life was not to amass wealth, for he took only suficient toll from his vietims to meet the actual needs of himself and his men and allowed himself to be extravagant only in the number of his horses and the beauty of their trappings and in finely inlaid firearms. But he vowed wengeance upon every wrong door who was a Turk, confining him self to this race exclusively, and set up a sort of Robin Hood dictatorship

rom which no evildoer escaped. The following incidents occurred while the writer was his neighbor for two years and will serve to illustrate the methods and the object for which he worked. In a certain district money raised by taxation to build a bridge to replace a tumbledown structure on a much travelled route. The the head man or mayor of the town
