## Out-Sundaying

**Billy Sunday**

Observing the success of the Billy Sunday methods in the matter of conversion, Puck rises to suggest that the attempt be made to apply the same methods to other church ceremonies and activities, proposing the following formulas:

Pastor (christening infant)—"What do you want to call this hunk of excess baggage. Bo?"

Presiding Parson—"What miserable mutt giveth this skirt to be married to this gink?" The Bride's Father—"I'm the guy."

Industrious Usher—"Slide, you ice carts—slide!"

Passing the Plate—"Come across with the iron men, you low-lived tightwads!"

Sunday School Superintendent—"All of you little divvers that want to swat Satan, stand on one leg."—The Winnipeg Voice.

**ORGANIZED HELP TO WOUNDED**

(Arnold Bennett in London News) Nobody deserves succour as a wounded man deserves it. His need is a thousand times greater than that of the average person for whose benefit the National Relief Fund was established. Ministries of war cannot do all they would wish for the wounded.
