Over-burdened Women

In all stations of life, whose vigor and vitality may have been undermined and

broken - down by over - work, exacting

ocial duties, the too frequent bearing of children, or other causes, will find in Dr. Pierce's Favorite Prescription the most

potent, invigorating restorative strength-

giver ever devised for their special bene

fit. Nursing mothers will find it especial-

ly valuable in sustaining their strength and promoting an abundant nourishment for the child. Expectant mothers too will find it a priceless boon to prepare the

system for baby's coming and rendering the ordeal comparatively painless. It

can do no harm in any state, or condition of the female system.
