The Smallpox Situation

county."

The smallpox situation still eauses some concern. New cases are located from time to time and the health authorities are put to their best endeavour to keep the

disease in check. This morning a case was reported from the lumber camp of

Ira Corey at Miramichi, but it is not determined that it is small-If so, conditions in that pox. case are aggravated in that nine Frenchmen, members of the camp crew, stampeded when the disease broke out, before they could either be vaccinated or quarantined. They went to their homes at Pokemouche.

Notwithstanding all reports going by word of mouth, there have been to date only three cases of smallpox in Carleton county in the present outpreak, one each at day for Palm Beach, Florida, to Bristol. East Florenceville and Knowlesville. Vaccination of school children has been enforced in the village, and all suspects

have been under rigid quarantine. The health officers are to from Kingston, Ont., last week be commended upon the stiff for a few days visit with his par- fight against what some call 'this form of Prussianism."

No Advance **3 Years** In

With war-time prices so terribly high for nearly every article of food, it must be a particular satisfaction to those who love good coffee to know that there has been no advance in the price of Red Rose Coffee for three yearsand the great increase in the sale of Red Rose Coffee this year shows that the price is appreciated.

People everywhere seem to be using much more coffee than they did before.

Red Rose Tea is economical on account of its superior quality-but Red Rose Coffee is economical both on account of its quality and price, a combination hardto maintain in' war-time.
