After this he was its timely philanthrophy and the friends its timely desk, which was on the platform. Sud-taken into the private office of Capt.

Then the police were seen to hurry denly the desk took a drop and at the Lees, chief of local detective force, and considered the most successful popular ance possible.

NEW YORK, Feb. 1 .- A Key West, WOMAN SUFFRAGE IN ENGLAND. Fla., special to a morning paper says, Mr. Kaulback and the student heard consilerable noise in the hallway in the vicinity of the janitrix's apartments, and as it continued the teacher said he would ask the people making it to cease, as it was annoying.

London, Feb. 3.—In the house of commons to-day, by a vote of 228 to 157, the would ask the people making it to cease, as it was annoying.

Mr. Kaulback went into the hallway and remonstrated with Handley, who it was thought was annoying his mother.

In the meantime McMann remained in the class-room, and when Mr. Kaulback returned he noticed that he was followed by someone as if chasing him.

Mr. Kaulback and the student heard to a morning paper says, the bodies of fourteen girls have been found in a small cave within balf a mile off the Spanish encampment at Guanabaction a change in the distribution of the fishery bounty as to the proportion to be paid to boats and vessels and crews. The present arrangement gives \$1 to each of the boat's crew, while vessels are paid \$2.75 per ton on which direction they had been dragged he came to the mouth of a cave and venturing in saw the decomposing bodies. A few Cubans ventured out at night and longing to the owner and one-half to the crew, the result being no uniformity paper says, the bodies of fourteen girls have been found in a small cave within balf a mile off the Spanish encampment at Guanabaction and fisheries has under consideration a change in the distribution of the fishery bounty as to the proportion to be paid to boats and vessels and crews. The present arrangement gives \$1 to each of the boat's crew, while vessels are paid \$2.75 per ton on which direction they had been dragged he came to the mount of a cave and venturing in saw the decomposing bodies. A few Cubans ventured out at night and love out of found in a small cave within balf a mile of the distribution of the fishery bounty as to the proportion to be paid to boats and vessels and crews. The present arrangement gives \$1 to each with flow of the standing and heaves. I tried the them then th the bodies of fourteen girls have been returned he noticed that he was followed by someone, as if chasing him.

The class-room, and when Mr. Radioact returned he noticed that he was followed by someone, as if chasing him.
