AGAINST POLITICS IN CITY COUNCIL.

(Continued from page 1.)
by the Mayor, and urges reasons why the by-law should meet with approval. The meeting to-night in Association Hall will be addressed by P. W. Ellis and W. F. Maclean.
Although there was a lot of unlooked-for expenditure this year, the Board of Education will finish with a surplus of about \$3,000. Increases in salaries, and cost of the Empire Day celebration, and other expenses that were not provided for in the estimates were met. Secretary Foster will have the financial statement ready on Monday.

Politics threatens to wreck the North End Improvement Society, an organization that has done much good work for that end of the city, but which some of its members claim is being made practically a branch of the Tory machine. The society was originally established on non-political grounds. It was to be thoroughly independent and work for the good of the north end, and it is predicted that it is the beginning of the end of the society. There was another lively meeting last night. The treasurer, C. R. Reid, and the secretary, Joel Ward, placed their resignations on the table. Some of the members jumped on their feet and declared this was out of order, as the annual meeting will not be held for two weeks. The resignations stand until then and the meeting promises to be a hummer. The politicians in the camp are accused of showing indifference until just around election time, when they come around and whoop things up. Ald. A. J. Wright, Ald. Farrar, J. A. Williamson and George Cunn addressed the meeting last night. Some of them took a fall out of the poor old sandusucker again. Mr. Williamson picked up a popular plan for a branch library for the north end.

There was a rumor that a meeting of the Tories was to be held last evening, for the purpose of hearing the Tory machine candidates for aldermen tomorrow. The meeting was called for the Twentieth Century Club rooms. At 9 o'clock last evening there were 30 men and a dog in the hall. There were so many empty chairs that a speaker passed the remark that it was a shame the way they were being treated by the party. There were all kinds of regrets, indicating that the candidates had mild attacks of "cold feet." Dr. Langrill presided and it could be easily seen that he was disappointed on the poor turn-out of the faithful. He, however, tried to cheer the spirits of the few. Among the speakers were John G. Farmer, William Nichol, John Allan, Norman Clark, J. W. Sutherland, F. H. Revell and George Hill. Most of the candidates were emphatically in favor of the ward system, and of the carrying of the power by-law.

MOVING PICTURES AGAIN.

All who attend the moving picture entertainments in Association Hall to-morrow are requested to bring their handkerchiefs, as some of the most comical pictures ever shown are on the programme, and those who witness it will laugh until they cry in spite of their selves. "A Good Joke on the Jokers" and "How Bridget Entertained the Guests" are among the funny ones, while "A Race for Life" and an "Airship Excursion" are sensational. "Travelling in Switzerland" and "The North Pole Expedition" will interest those who are fond of travelling. "The Little Hero," a most pathetic story, with a good moral, will be as good as a sermon. Matinee and night performances at usual prices.

FIRST MILE RACE TO-NIGHT.

The first of the series of races for the one-mile roller skating championship of the city will be skated to-night at Britannia rink. This event promises to be even more interesting than the two-mile series just completed. Many of the winners of an event in the former series have entered for to-night's race, and all are out to win. Gold and silver medals have been provided for the winners. Gordon Rigg, young McMichael and McMaster appear among the entries. Special skating numbers will be played by the rink band for the many skaters who will attend, and arrangements have been made to accommodate a large balcony audience.

Stocks and Bonds
NOON STOCK LETTER. (Received by A. E. Carpenter from Ennis & Stoppant.)
New York, Jan. 3.-The market during the morning developed some profit taking, but maintained its level very well, with excellent absorption of such stocks as Reading B. R. T., Steel, A. R. and A. C. P. The Pennsylvania Steel for November reveals a surprising increase in gross, which amounted to \$974,000 for lines directly operated. It is said that N. P. extra dividend may not be announced in the near future, and there was selling of Union Pacific on expected initiation of Government suit. The latter matter will doubtless be in the courts for a long time, and the segregation plan could meanwhile be brought out, with reference to other stock holdings that those of S. P. A reduction in light steel rail prices is reported from Pittsburgh. Unprecedented coolness, with poor ice harvest the previous year, a strike, and abnormal fire losses, caused most of the decrease in returns of iron securities, which earned less than 2 per cent on the stock during 1907. Taking of the Hamilton Bank from the hands of the receiver is a bullish item. National Bank circulation has increased over \$93,000,000 for the year. It is confidently expected that time money will soon be quoted at normal rates.-Ennis & Stoppant.

BOOZE AS MEDICINE.

Chicago, Jan. 3.-Mrs. Harold McCormick, daughter of John D. Rockefeller, refused yesterday to act as patroness at the benefit of the Frisco, Willard Hospital because, as she wrote to the board of trustees, she did not "feel wholly in sympathy with a hospital which does not permit the use of alcoholics under a doctor's prescription."
The entertainment has been postponed because, it is said, of Mrs. McCormick's position.
