SHELDON GETS FIVE YEARS

Schemer Started His Game by Luring to Y. M. C. A. Members—His Receipts from Dupes in One Day Were Over \$300,000.

Montreal, June 16.—The culmination in the great Sheldon drama was reached this morning in the Court of Special Sessions, when Justice Langelier meted out a five year sentence to Charles D. Sheldon, the man whose financial exploits have dazzled all Canada. The charge upon which he was sentenced was theft of \$15,000. Other charges of securing money under false pretences will be held in abeyance.

Justice Langelier, in announcing his decision, said that he found Sheldon guilty under a section of the criminal code which provided a penalty for unlawful failure to account and unlawful conversion.

Sheldon heard the verdict calmly. Before being sentenced he pleaded for clemency on account of his advanced years, asking that the sentence be made as short as possible in order that he might be able to pay back the money he had. "To this purpose," he declared, "I intend to devote the balance of my declining years, and they will be all too few for the purpose."

Y. M. C. A. BOYS DUPED
About three years ago he came to Montreal and started operating in a mild way in a bucket shop. His eloquence started him giving lectures to Y. M. C. A. youths over a St. Catherine street shop. The youths fell for it and entrusted Sheldon with their tens and twenties to "invest."

Sheldon did so well with these sums that more money came rolling in. He set up with desk room in an office on St. Francois Xavier street, and began to advertise in a quiet way. Twenty per cent a month was what he claimed to pay by beating the market.

Newspapers began to question Sheldon's profits. Here was where the wizard showed his persuasive powers, and in the face of a battering opposition, he was able to talk his victims round so well that money poured in by the hundreds of thousands.

On one day he took in \$375,567, but on the other hand the public got frightened. After paying out several hundred thousand dollars Sheldon found he could not stem the tide and he disappeared.

On Columbus Day, October 13, 1910, the New York market was also closed. A neat sign on the door said it would open on the morrow. The morrow found the office left to the mercy of creditors and spiders. On the twenty-fifth of March, 1911, Sheldon was located in Pittsburgh under the name of Ross. He had been playing the market again and apparently did not have a cent. He was brought back by Chief McCaskill, arriving in this city on April 1. He elect a summary trial before a judge, and was tried last Thursday, June 8, before Judge Langelier.

Sheldon had operated under different names in several United States cities.

Constable McRae, of the provincial police, visited a lumber camp three miles from Charlton, Ont., and arrested a man named Walsh, a river driver from New Brunswick, charged with incendiarism in connection with the burning of Chas. Charleson's house. The prisoner is said to have threatened Charleson. The accused was held for trial.

POLICEMAN WAS ELECTROCUTED

Beverly, June 15.—Patrolman Daniel McLeane, 39 years old, who lived with his wife and six young children at 10 Congress street, was electrocuted at 11.45 o'clock last night at the corner of Rantoul street and Railroad avenue, coming in contact with an electric light pole which was charged with electricity.

The body was discovered lying in the gutter under the electric light pole by Albert Lord and J. C. Hoodwin, two citizens who were riding by the place in an automobile.

When they saw patrolman McLeane they believed there was life remaining in his body, so they sped on to the police station, which is near the scene of the accident. They told Capt. Otis Burnham that patrolman McLeane was unconscious in the street, and Capt. Burnham and a squad of officers hurried to the scene.

When they arrived McLeane was dead. His body was taken to a local undertakers room nearby, and Medical Examiner George A. Stiekney viewed the remains.

A police guard was immediately placed about the scene of the death of the patrolman to prevent further accidents and the electric light company was notified to shut off the current from the poles in the vicinity.

An investigation revealed the fact that Patrolman McLeane had rung in his last duty call at 11.25 o'clock last night from the box at the corner of Rantoul and Wallis streets, not a great distance from the place where he was killed.

The body was found at 11.45 p. m. last evening. Capt. Burnham from his investigations, is inclined to believe that McLeane walked from Wallis and Rantoul streets, after ringing in his duty call, and probably at about 10.30 discovered the electric light on the pole at the corner of Rantoul street and Railroad ave., was out. Then, it is believed, he probably kicked the pole, so as to jar the carbon down so that the arc would be completed and the lamp relighted.

It is supposed that the pole was charged with 2400 or more volts of electricity which escaped from the wires and the lamp and was going down into the ground when Patrolman McLeane kicked the iron and that he received the full force of the escaping electricity.

The company shut off the power from all the lights and wires in the neighborhood to prevent further accidents pending an investigation, and there was darkness as a result. Electric lighting experts have been at work endeavoring to ascertain how the accident happened.

Patrolman McLeane was born in this city 39 years ago, and he has long been one of the popular and best known young men of the city. He was first made a policeman 12 years ago, and he has been a regular member of the force for five years. He was appointed to the regular force Nov. 2, 1906, by Mayor Joseph A. Wallis. He travelled the route known as the shoe district, between Pleasant street and Railroad avenue. He was an efficient officer. He was a member of Beverly council, Knights of Columbus.

DEATH OR LUNACY seemed the only alternative for a well-known and highly respected lady of Wingham, Ont., who had travelled over two continents in a vain search for a cure for nervous debility and dyspepsia. A friend recommended South American Nerve. One bottle helped, six bottles cured, and her own written testimony closes with these words: "It has saved my life." Sold by A. E. SHAW'S Pharmacy.—29
