In its twenty-six years of public
service, this Dental Office has
never once refused adjustment of
any complaint.

We are human and at times, small
mistakes occur despite every pre-
caution taken. When this does
happen, we honestly admit our
error and lose no time in correct-
ing it.

We mention this merely to demon-
strate that the painstaking care
we give to our patients does not
cease when payment for services
is made, but continues until the
patient is thoroughly satisfied and
pleased.

Accepting us to act as your Den-
tist carries with it the full assur-
ance that you will be treated
thoroughly to your liking—in the
most modern ways of Dental
science and at costs that will ap-
pear to you for their moderation.

Until you are satisfied—no Den-
tal service rendered by this office
is considered closed. Our prices are
the lowest. Canadian money ac-
cepted by us at full value for all

FORSAKES THREE PUPILS TO TAKE JOB IN FACTORY

PEEKSKILL, N. Y., April 10—
The Rev. Ellis Shipperly, pastor in
three suburban Methodist Episcopal
churches, today discarded his frock
coat for a pair of overalls and began
work as an apprentice pearl cutter
in a local factory. He announced he
had resigned his pastorate because
he "couldn't make both ends meet"
and would confine his preaching to
"relief work which would not inter-
fere with factory duties."

His salary as a pearl cutter would
be several hundred dollars a year
more than his salary as a minister,
he said.

Little Sympathy At Ottawa With Hydro Schemes

SIR ADAM BECK SUSPECTED OF
SEEKING AID—BREAKING UP
G.T.R. SYSTEM NOT
POPULAR

OTTAWA, April 10—Sir Adam
Beck's elaborate plan for the exten-
sion of the Hydro-radial system by
the acquisition and electrification of
the lines owned by the Dominion Gov-
ernment has no sooner been broached
at Ottawa than objections loom upon
the surface. The capital is not a place
where either Sir Adam or his plans
are in particular favor. Between him
and the Dominion Government the
relations are not the most amicable.
Dr. Reid, with whom he conferred yester-
day, has often given vigorous ex-
pression to opinions not very flatter-
ing to the head of the Hydro and Sir
Adam has replied in kind, if he were
not the aggressor.

No sooner had the knight left the
offices of the minister yesterday than
D. B. Hanna, head of the Canadian
National Railway entered and the two
have always been at daggers drawn.
It will be surprising therefore if any
scheme for the acquisition of electric
lines now existing or for the electrifi-
cation of the Grand Trunk branch line
by the Hydro will elicit any concu-
rence either from Mr. Hanna or the
management of the Canadian National
lines.

An opinion which is voiced freely
around the corridors among the On-
tario members is that in the propo-
sition he has put forth Sir Adam is
seeking aid from the Dominion Gov-
ernment in pulling certain chestnuts out
of the fire in the form of promises
for radial extensions. To succeed, he
will have to neutralize this opinion.
The main argument in favor of buy-
ing the Grand Trunk was that it would
provide the necessary "feeders" for
the Canadian National railways.

The line is being acquired at what
considering its obligation, will prove
to be a very heavy expense and in
government and parliamentary circles
here the predominant idea is that
they will be held. The contention is
that the Government having bought
the whole thing should proceed to
operate it.

Any proposal for dividing up the
system to meet the purposes of the
Ontario Hydro will be opposed by the
members and ministers from other
provinces, and will not lack opposi-

tion even from Ontario. Sir Adam
reported yesterday a favorable recep-
tion and a satisfactory outlook, but
there are grave doubts if much more
than that is accomplished.

DOCTOR WARD, The Specialist

SPECIALIST IN THE TREATMENT OF NERVOUS CONDITIONS, NERVE EXHAUSTION, BACKACHE, LUMBAGO, RHEUMATISM, STOMACH AND LIVER TROUBLES, ACNE, SKIN DISEASES, CATARRH, ASTHMA, RECTAL TROUBLES, PILES, PITUITA AND BLOOD CONDITIONS. The knowledge gained from many years' experience in treating diseases just like yours is of much benefit to you and assures the ailing man of prompt relief. When a man knows that he is again feeling well—that he is rid of his ailment—he feels that a heavy load has been lifted from his shoulders. I give every patient the benefit of the knowledge acquired through the long experience of a graduated, licensed and registered specialist, in order to bring about the most satisfactory results in the shortest possible time.

NERVE EXHAUSTION
A CONDITION AFFECTING MANY MEN—THE GREAT AMERICAN DISEASE—IT IS BROUGHT ON BY OUR MAN-
NER OF LIVING—OUR WORRY AND HURRY—AMERICAN EXHAUST MORE NERVOUS ENERGY THAN ANY OTHER RACE OF PEOPLE.

There are a great many men who need treatment for their nervous system. These men do not know what is the reason they don't feel right—why they can't work like they used to—why they tire so easily and why they are irritable, nervous, despondent, weak, pale and lack ambition. These conditions require the expert knowledge and treatment of a specialist who has had many years' experience in just such ailments. A specialist learns by experience to know just the right treatment at the right time so that the patient can be dismissed at the earliest possible time. Men affected with nervous exhaustion have no endurance—no ambition—everything they attempt is an effort. Life to them appears as a long, gloomy future. Their appetite is poor and variable—they become irritable, cross and discouraged. They have pains and aches in various parts of the body and there is often indigestion and pains in the stomach. Sleepless, wakeful and restless nights follow.

RHEUMATIC AILMENTS
SCIATICA AND OTHER FORMS OF RHEUMATISM, LUMBAGO, PAINS IN BACK, SWELLING, ACHING, PAINFUL CONDITIONS IN ANY PART OF THE BODY—INFLAMED AND SWOLLEN JOINTS OF LEGS AND ARMS—MANY OTHER SYMPTOMS.

Hundreds of men are suffering with some form of Rheumatism. Many of these men go from day to day suffering untold agonies thinking they cannot be cured. They have tried liniments, rubbing, massage, salts and other treatments without experiencing any relief, and they are now going through life thinking they are martyrs to that burden called Rheumatism. If these men could only know how easy it is to get rid of many rheumatic conditions I know they would not suffer another single day. Then all sufferers of rheumatism would be strong and healthy if they could get rid of the condition. Rheumatic patients are nearly all strong and robust before being attacked by this ailment, and therefore it is so hard for the man to understand why he should suffer the agonies of such a condition. When a man gets rid of such a condition he feels that a heavy burden has been lifted from his life, and he starts right out to make up for lost time both in money and pleasure. When a man comes to my office suffering with the above condition he is given a most careful examination, and he is given treatment that he feels is giving him great benefit.

Quick and Lasting Results Assured the Ailing Man
