## A Great Alteration Sale!

To protect and accommodate the great growth of this business it became necessary for us, some time ago, to secure the building next door to our old stand. Part of this we have occupied for some years—the remainder we are now getting ready to use.

THE CONTRACTORS ARE NOW AT WORK in the new part, and they will practically rebuild the structure. Their presence in the building demands three things—more room—some means of avoiding dust damage to the goods—and, above all, much money, in order that we may secure all of these three in the quickest possible time we are opening this great ALTERATION SALE.

This all means that in every corner of the store, every line of goods (with a few exceptions) will be sold at a half price—our whole stock is offered at the great discounts mentioned below.

It is understood that there will be no goods sold on credit during this sale—that goods cannot be sent out on approval, and that terms will be cash in every case.

We will have an ample staff to take charge of the enormous business that will result from this great offering—and we will merely ask you to shop as early each day as you can possibly make it convenient.
