THE LATE MR. C. B. RECORD, FOUNDER OF THE RECORD FOUNDRY.

produced above, is a portrait of the late Co., of Moncton, N.B., and Montreal, Previous to Mr. Record going into the manufacture of stoves, those used in Canada were almost wholly of American manufacture. The character of the wor ned out by the Record Foundry & Machine Co., at once gave their stoves a standing, and as a result a very large usiness soon grew up, largely owing Mr. Record's untiring industry and per everance against many obstacles.

Although Mr. Record retired from active business as far back as 1879, the solid basis on which he had established the inustry, has resulted in its growt, from a sturdy pioneer into one of the largest stove manu acturing plants on the northern half of the American continent. With two large plants, one in Moncton and one in intreal, the Record Foundry & Machine Co. are known from Halifax to Vancouver and their "Calorific" and "Admiral" furnaces and "Penn Esther" ranges recognized as the standard of Canadian
