

THERE WAS
A TIME

when a man wore a heavy winter overcoat, or none at all. But that idea has changed—men are beginning to realize that

Lightweight
Overcoats

are the most serviceable and sensible Overcoats they can own.

Ours are correct in style, correct in price, in color and in value, too.

Girls! Try It, Girls! Beautify Your Hair

Make it thick, glossy, wavy, luxuriant and remove dandruff—Real surprise for you.

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a "Danderine hair cleanse."

Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil and in just a few moments you have doubled the beauty of your hair.

Besides beautifying the hair at once, Danderine dissolves every particle of dandruff, cleanses, purifies and invigorates the scalp, forever stopping itching and itching hair.

But what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair and lots of it—surely get a 25 cent bottle of Knevelton's Danderine from any drugist or toilet-counter, and just try it.

Put a box of rich earth in the cellar before frost comes; it will be ready for use when you want to start your early seeds in the spring.

IN TIMES OF WAR you cannot do without clothes any more than you can in times of peace; but in order to keep all our help at work we intend to make up Suits and Overcoats, until further notice, at the smallest possible margin of profit, but must be strictly cash orders. Investments and get our prices, quality of our work needs no advertising.
