BARBADOS.

Everybody who goes to the West Indies likes Barbados. They like the temperature, it is tropically warm but tempered by the trade wind; they like the sea bathing, the best in the world; they like the appearance of the country, one big garden; and they like the hospitable ways of the people. There are no nicer people anywhere than one finds in Barbados, and a fortnight's holiday in this beautiful Island is indeed a rare pleasure.

Round trip tickets by the "Royal Mail" from Halifax to Demerara and return to St. John give passengers the stop-over privilege at Barbados.
