Mr. Newfoundland Investor—
Do We Get your Business or Not?

Will YOU investigate our standing, our offerings, our statements and then give us a share of your investment business, or will you wait until some well-looking, oily-tongued "crook" drifts in here, as too many have already done, and takes a thousand or so off you, before leaving for unknown parts never to be heard from again? You cannot question the truthfulness of our statements, the honesty of our purpose, the sincerity of our aims.
