### Wedding Bells.

JACOBS-CLEMENS.

A very pretty wedding took place at the R. C. Cathedral on Wednesday, Nov. 26th. Rev. Mons. McDermott officiating, when Mr. Joseph Jacobs was united in the holy bonds of matrimony to Miss Mary Clemens, both from the Grey Islands. The bride was handsomely dressed in white silk with hat to match. The bridesmaid was Mr. Michael Clemens, brother of the bride, and Miss Kathleen Gardner as bridesmaid, who was magnificently attired in blue silk with hat to match. After the ceremony was performed, the happy couple drove to the home of the bride's mother, No. 76 Lime Street, where a sumptuous repast was served, and dancing was indulged in until early morning. The bride received a large number of wedding presents. We wish both Mr. and Mrs. Jacobs many years of happiness.

goes a long way in sustaining strength and keeping up resistance. *Resolve that you will buy a bottle of Scott's Emulsion at your druggist's on your way home, and start protecting your strength. It's Scott's you ask for.*

### A Clean Up.

Sounds rather clean, healthy, although clean up is often used otherwise.

If you were disposing of a quantity of some particular item you would refer to it as a clean up. If your home was newly painted, papered, etc., you would refer to it likewise.

Just now we use the most used expression, when we say that within three weeks our entire stock of wearing apparel is to be transferred to Ladies, Gents, Boys and Girls of the town. We know what we say. Read the advertisement in this paper and let's hear your say.

### English Insurance Co.

CLAIMS EXEMPTION FROM TAXATION.

Last night the civic board had a very important matter brought to their notice, re Taxes. It appears that an English firm, doing insurance business in this Dominion, claims exemption from the local Business Profits Tax as they pay into the English Exchequer the amount due on any business done in this Dominion. The matter will be taken up with the Home authorities and no doubt the amount due the revenue will be refunded, as the English tax law allows amounts collected in England, but belonging to the Colonies to be transferred.
