is an absolutely pure Cream of Tartar Powder, recommended by many of the best cooks in the city, who praise it highly for its marvelous purity and leavening strength. Its use is a safeguard against the phosphate and alum baking powders, of which the market is full, and which are known to make dangerously unwholesome food. Superior Baking Powder makes finest flavored, lightest, sweetest and most delicious food, and imparts to it positively anti-dyspeptic qualities. Price 25 cents per pound.
