THE LONDON ADVERTISER, MONDAY. APRIL 29.

To the Editor of The Advertiser:

Having seen Mr. J. R. Hodgins' state-ments of April regarding the smallpo., epidemic, I feel it my duty to Dr. Mc-Neill, medical health officer for Lon-don township, to make the following statement: Mr. Hugh Morkin, hay For Internal and External Use. I consented, and my son went the first half-day to Mr. H. Bilyea's, on Radway's Ready Relief Always in the house. Its use will con. 14; from there they went to Mr. J. R. After the horses were stabled Mr. Hodgins invited them into the the world that will stop pain or errest the progress of disease as quick as the Ready Relief. house, if they were not afraid of chickenpox. My son replied he was not PNEUMONIA AND CROUP. afraid of anything, as he was cold, wet and hungry. He slept in one of the beds that had been occupied by Mr. Hodgins' children. After pressing Mr. "I take my pen in hand to inform you

Provisions were dull, closing 1%c to igher to a shade lower. Seaboard clearances in wheat and flour were 445,000 bu, compared with 443,000 bu last year. Minneapolis and Duluth reported 253 cars, against 266 last week and 422 a year ago. Local receipts were 76 cars, one of contract grade. Estimat-ed receipts on Monday: Wheat, 62 cars; corn, 180 cars; oats, 260 cars; hogs, 35,000 head. Hodgins' hay my son came home, hav It came on him with a chill in the night. The other five of my family previously having had chickenpox, we joked Ed-mund, saying: "He escaped it before, with the Radway Ready Relief. I gave him a teaspoonful in a little hot wa-ter to drink, to help warm and stimu-late him, and in about half an hour three of the Radway's Pills. By the when the rest had it; he was in for it now." But the disease did not stop there, for the rest of the family, as well as myself, contracted the disease.
