

## Nothing Tastes Good

And eating is simply perfunctory—done because it must be. This is the common complaint of the dyspeptic.

If eating sparingly would cure dyspepsia, few would suffer from it long.

The only way to cure dyspepsia, which is difficult digestion, is to give vigor and tone to the stomach and the whole digestive system.

Hood's Sarsaparilla cured Mrs. Frances Blouin, Pembroke, Ont., Sept. 3. She writes: "I was afflicted with dyspepsia, and it worked like a charm, restored a healthy appetite and system, and I am now well and happy. I cannot praise it too highly for the good it has done me."

**Hood's Sarsaparilla** Promises to cure and keeps the promise. Don't wait till you are worse, but buy a bottle today.

**HIDES, SKINS AND TALLOW.**  
Toronto, Sept. 3.—Hides.—The receipts are fair, there is a good demand, all offerings being readily taken, and the market is steady, at 75c for green cows and 85c for steers; cured hides are steady in sympathy with green, and cows are quoted at 55c and steers at 54c. Lamb-skins in fair supply, and prices are steady, at 55c. Calveskins—Unchanged and steady, at 55c for No. 1 and 56c for No. 2. Tallow—Steady; local makers are offering 5c and asking 5 1/2c to 5 3/4c.

**WOOL MARKET.**  
Toronto, Sept. 3.—There is scarcely anything being done in fleece; the offerings are liberal, but there is no demand for export and the market here is very quiet. The demand for pulled wools is inactive. Fleece—Owing to the continued absence of any demand for export the market for fleece is dull and prices are largely nominal; local dealers quote 12c to 15c for fleeces, unwashed at 75c to 80c. Pulled wools.—There is not much inquiry and the market is dull. We quote 12c to 15c for super and 12c to 15c for extra.

**LEATHER MARKET.**
