Afternoon and Following Days.

The Chatham Incubator Company have succeeded in hatching out

several hundred little chicks for us. The chicks will be on exhibition

on our second floor on Tuesday afternoon and following days. The little downy fellows are very pretty, some black, brown, blue, white, buff and

striped. Have the children see them. We specially invite all the grown-up folks also. Chatham Incubators are successful.

HAS KAISER CAUGHT IT?

Berlin Hears Emperor Has the Spotted Orleans Wants to Outdo Feat of His Fever.

Berlin, April 17 .- The people of Berlin are in a state of panic at a ruwho went to Sicily in search of health, is seriously ill, and is said to have spotted fever. The official papers have thus far issued no denial of the rusured that the Kaiser is in the best of health, but if the excitement continues an officiai denial will be abso-

another war on hand which has been going on for years, and which has cost many ilves, although it is hardly ever mentioned in the press. Russia conquered the Caucasus nearly half a century ago, but she has never pacified it.

"There has always been lawlessness and disorder there, and at the present time it is unsafe for any unarmed person to venture at night outside of the walls of Vladíkavkas, and even the boastful name of that city, 'Possess the Caucasus,' does not prevent it from being periodically raided by gangs of throat-cutting outlaws.

"It seems impossible to redeem this people from murder and pillage," says
"The being and ordered him to hand over his personal valuables, threatening him with death if he gave the alarm. But the moment Morosoff heard the door close behind his unwelcome visitors he gave the alarm. Horses being secured a posse of armed men went in pursuit, and, after an hour's hard riding, the desperades were sighted. A hot fusillade ensued, and a running fight was kept up for several minutes, At last two of the bandits were knocked from their saddles and the horse of a third killed. Much to the surprise of the police no further resistance was made; but their surprise was greater still, when, tearing off the outlaws' masks, they were confronted, not by bearded brigands, but by young Circassian women, all under 25. The fourth, the leader of the band, escaped to the mountains.

"The beigen de law men alarm.
