THE SITUATION IS GRAVE

Emergency Meeting of Cabinet Called To Deal With Crisis.

[Special to The Advertiser.] Ottawa, Oct. 24. — An emergency meeting of the Government was called this morning to consider the C. P. R. strike situation. There was a full attendance of ministers, and the various aspects of the dispute were under discussion for two hours. The Government regards the situation as grave in the extreme.

APPEALS TO BOTH SIDES. [Canadian Press.]

Ottawa, Oct. 24.—The following appeal to both sides in the C. P. R. trouble was

'The Government regards as a matter M grave concern the probability of a strike on the Canadian Pacific Railway The fine spirit of patriotis which animates the employees is thoroughly recognized by the Gove and the like spirit actuates those re sponsible for the management of This public appeal is made In order that both parties may conside

"The rights of the employees and those of the company, whatever they may be are entitled to every respect and consideration, but the rights of the public must also be taken into account, and the Government cannot forget 's dut is especially imperative in time of wa vent public disaster the Government: as will prevent the threatened strike

[Special to The Advertiser.] fact that the Canadian Pacific the department of labor hopes that there will be no strike and no tieup prospects of this strike has been received with the greatest alarm by the Government. There is a feelng that coming just at the close navigation a strike on the Canadian Pacific would produce disasrous confusion throughout the country. Some days ago Messrs Murdock and Berry declined to agree to a proposal of the Govern nent that the strike should be postponed until after they came to Ottawa to represent the men in negotiations with the company, the Sovernment undertaking to act as an intermediary.

That refusal coupled with the fixpear unavoidable. However the labor department this morning has received messages from the lessages are the Government de clines to state but there is an in-
