

"For East is East and West is West,
And near the twin shall meet."

—but the West is meeting the East. In the schools and mission stations of far away China, Sherlock-Manning Pianos are helping bring Western refinements and ideals to thousands of Orientals.

SHERLOCK-MANNING
20th Century Piano
The Piano worthy of your home

although primarily a Canadian piano for Canadians, is so staunchly built that even under such adverse conditions as the Chinese climate, retains its original beauty of tone and finish, a worthy example of Canadian craftsmanship.

When you buy a Sherlock-Manning you buy a piano that will give a lifetime of service and satisfaction and remain true to tone throughout the years.

TO RELIEVE PAIN AND BACKACHE

Women May Depend upon
Lydia E. Pinkham's Vegetable Compound

Minneapolis, Minn.—"I had heard so much about Lydia E. Pinkham's Vegetable Compound that when I realized I needed to take something to relieve my pains and backache, and to help build me up I began to take that. I had been sick off and on for years and barely weighed a hundred pounds, but now I have had such good results that I am recommending the Vegetable Compound to every one."—Mrs. J. J. BIEBER, 3539 18th Ave. South, Minneapolis, Minn.

Finds a True Friend
"Every woman who values her health should be proud to have a true friend like the Vegetable Compound," says Mrs. W. E. Shaw, 3227 Walnut Street, Chicago, Illinois. "I had female weakness so badly that I could not stand on my feet. Half of my time was spent in bed and I had pains in my back which were unbearable. I tried everything I could think of to help myself, and when a friend advised Lydia E. Pinkham's Vegetable Compound I began taking it at once. I recommend it without hesitation."
