Against Bible Teachings

Little Victoria Rogers' Father Would Not Employ Doctors or Drugs.

Story of the Child's Death As Told at the Coroner's Inquest.

The inquest on the remains of Victoria Helen Rogers, infant daughter of John Rogers, of Sayward avenue, who died from diphtheria on Wednesday, was begun yesterday afternoon in the city police court before the coroner, Dr. E. H. Hart.

The following jurors were sworn: Wm. G. Dickenson (foreman), Harry Jackson, George Anderson, Wm. McGregor and Lionel Dickenson, all of the Rogers household.

Dr. Frank Hall was the first witness sworn. He made a post mortem examination of the body of the child on Thursday morning. It was the body of a female child about two or three years old. There were no marks of violence.

Dr. R. L. Fraser sworn—Was present and assisted at the post mortem examination in this case. Watched the examination very closely, had heard Dr. Hall's evidence and had no objection to what Dr. Hall had sworn.

Lessons From Daniel's Story

Rev. John McNeill Preaches His Second Sermon to Victoria People.

Large Congregation Gathers in St Andrews to Hear Eloquent Speaker.

Rev. John McNeill, the famous Scottish evangelist, preached his second sermon in St. Andrew's church last evening. The church was crowded.

The speaker's subject was, "Daniel; or Constancy in Adherence to One's Religious Convictions." The late Matthew Arnold said: "Conduct is three-fourths of life; the great thing is not creed, but what you believe, but conduct."

FRIDAY IN CHAMBERS.

Several Applications Dealt With at Yesterday's Sitting.

There was quite a full sheet at yesterday's sitting in Chambers, at which Mr. Justice Martin presided.

McKay v. Victoria-Yukon Trading Company—Application for an order to sign judgment was stood over till the 13th inst. Griffin for plaintiff; Lawson for defendant.

In the same case an application for security for costs was refused. Costs of application to be costs in the cause. An application for a stay of proceedings in the same cause was granted provided a bond of \$10,000 be furnished by September 13.

An order was granted for leave to set down appeal, in the same action, costs of application to be costs in the cause. Re L. L. L. Vignola—Application for probate. Stands over till September 13. Aikman for applicant.

Westwood v. Westwood—Order granted extending time for return of commission for one month. Powell for applicant. An application for probate in re John Dunlop M. D., was allowed to stand over. Lawson for applicant.

Re J. G. Tarks, deceased—Application for an extension of time for filing inventory, under the Succession Duty Act, granted. Deane, acting for A. S. Dunlop, executor, for applicant.

Eastman v. Pemberton—Application to vary registrar's report refused and report confirmed with costs to plaintiff. Bowdler for defendant.

An application in the same case for costs of commission was granted. In the Supreme court an application for a decree absolute in Keating v. Austin, was postponed to September 13. Pooley for applicant.

FIGHTING BUSH FIRE.

Chain Gang Called Out to Save the School House.

Nanaimo, B. C., Sept. 6.—(Special)—Government Agent Bray and Chief Stewart of the jail, found it necessary to employ a chain gang to save the school house from bush fire today.

The Tyhee

A Shipper Large Ore Body Struck in Cross-Cut at Bottom of the Shaft.

Lenora Output to be Largely Increased—Local Smelter Needed.

Mount Sicker, Sept. 4.—(Special)—There was great rejoicing about the Tyhee mine today, when it was announced to a select few, in the strictest confidence, that a rich strike had been made in the lower level. For some time past work has been going on on a cross-cut at the bottom of the new shaft, a depth of 230 feet, and in the south arm of the cut an extensive body of rich ore has been encountered. So far 12 feet in width has been uncovered, but no walls have been cut and the exact extent of the new find is not known.

There is no question but this is the continuation of the Lenora ore chute, which the Tyhee people are confident all along they must strike. Now that they know its exact location they have only to drive into it from the different levels and proceed to reap a rich harvest. This discovery of a practically inexhaustible body of ore, in addition to what is now on the dump, will enable the management to begin shipping at once, and it is understood that they are making arrangements to send a first shipment to the Tacoma smelter within a few days.

The Mount Sicker railway has passed inspection for passenger traffic, and a car is being fitted up at Ladysmith for the transportation of ore. The new locomotive now hauling ore from the Lenora will enable that mine to increase its output considerably. The mine can easily ship 3,000 tons a month, but the present output is only 1,000 tons. Provincial officers Melndow and Hodgson had a number of cases before the police magistrate for infringement of the license act by liquor retailers who were fined \$200. The two pleaded guilty and were fined \$50 each. The third one \$70, and the fourth, who ran a house as an Italian hotel, was fined \$200.

Voting on the queen of the fair commenced tomorrow. The prize is a gold watch and chain valued at \$10.

ANNOUNCEMENTS IN THE GAZETTE

Changes in the Cabinet Gazette—Win for New Westminster Election.

This week's issue of the British Columbia Gazette, published yesterday, contains the following appointments: John Cunningham Brown, of the City of New Westminster, to be a member of the executive council of the province of British Columbia.

John Herbert Turner, of the city of Victoria, was appointed secretary of the province of British Columbia. Henry John Augustus Burnett, of the city of New Westminster, J. P., to be provincial officer for the New Westminster city electoral district.

John Theophilus Wilson, of the city of Victoria, to be chief clerk in the department of the provincial secretary.

FRUIT FOR WINNIPEG.

Carload Will Be Shipped from Westminster on Tuesday.

Arrangements have been perfected for the shipment of a carload of fruit from Westminster to Winnipeg on the 10th inst.

The fruit for this shipment is being packed and will be loaded under the direction of Mr. Stoddard, the export fruit packer and shipper, engaged by the British Columbia Fruit Growers' Association. Most of the fruit will be from the famous Okanagan valley, also from the Fraser valley, and the Bulkley and Skeena valleys.

Mr. Stoddard, of Bulkley, will be in charge of the shipment, and later furnish a full report as to the conditions of transportation and marketing of the fruit.

CONVENTION CLOSED.

Provincial Doctors Pass Two Profitable and Enjoyable Days.

The second annual convention of the British Columbia Medical Association closed yesterday afternoon, after hearing an instructive paper on tuberculosis by Dr. Fagan, and electing officers. In the afternoon the doctors made a trip to Darcy Island and visited the lepers. The evening was spent pleasantly at the Driard, where the annual dinner was held.

The officers elected were: President, Walter A. Newbould; vice-president, Dr. McQuigan, Vancouver; treasurer, Dr. Helmeck, Victoria; secretary, Dr. Pearson, Vancouver.

MORE YUKON GOLD.

Provincial Treasury Department Bought \$50,750 Ounces Yesterday.

A gentleman who arrived from the North on the steamer yesterday, after having deposited \$50,750 ounces of gold dust with the treasury department yesterday, the gold will be cast into bullion and sent to the mint, and will probably produce about \$150,000.

INDEPENDENT LABOR CANDIDATE.

A committee was appointed at the last meeting of the Trades and Labor Council to make arrangements for the election of an independent labor candidate in the city for the purpose of discussing the desirability of placing an Independent Labor candidate in the field at the approaching by-election in this city.

The meeting has been called for Monday evening next in St. William Wallace Hall, as announced by advertisement in another part of this paper.

THE STEEL STRIKE.

Belief That the Great Labor Trouble is Near Settlement.

Pittsburg, Pa., Sept. 5.—The prevailing opinion in Pittsburg tonight is that the great steel strike is practically settled, but absolutely nothing positive can be learned from either side.

NOT HARMONIOUS.

Dr. Potts Rebukes Sir Charles Skelton for Unpatriotic Speech.

London, Sept. 4.—The most striking feature of the Ecumenical Methodist conference today, was an impassioned plea for the colored men of the West Indies. Dr. Potts declared that there was a systematic effort on foot on the part of the white members to cover the eyes of the English people as to the lynchings of the year 1890, and declared that though ninety negroes were lynched, in the eleven cases had assault on white women been reported. The bishop's assertions on negro morality elicited loud applause, and several of the members delegates went out, while others did not notice their disagreement with the speaker.

Another incident which attracted comment was a declaration of Sir Charles Skelton, formerly mayor of Sheffield, who, in welcoming the Americans, severely criticized the war in South Africa, exclaiming: "Hell is let loose in South Africa."

He appealed to the visitors to go back to their own countries, and make such a peace as was possible.

Dr. Potts, at Toronto, rebuked in behalf of Canada, protested in heated and imperious speech against the state of affairs in the West Indies.

Bishop Hurst of Washington, gladdened the friends of the British and American nations, and covered the eyes of the delegates with his own hands, and declared that the President McKinley's hearty good wishes for the success of the conference, which was cordially received.

SIR THOMAS' EXPENSES.

Sir Thomas Lipton's second effort to lift that cup is costing the Irish sportsman a mint of money.

It is estimated that the expense of having the first Shamrock beaten by Columbia two years ago was close to \$1,000,000. The expense of the second Shamrock victory was much more than that.

The Lipton fleet at anchor today off Stapleton, S. I., is an imposing one. It consists of the sportsman's ship, which is a magnificent vessel, and a string out in a line they make a formidable array.

At the head of the line to the north is a big steam yacht Erin, one of the finest vessels of her kind afloat. Next in line is Shamrock's tender, the Porto Lico, an ocean-going steamer, which, as mentioned by Sir Thomas, has been in the fruit-carrying trade between American ports and the West Indies.

Astoria of the Porto Lico lies the James Lawrence, which is one of the handsomest and fastest tugs in New York harbor, is the business boat of the fleet.

Next in line are the two electric launch Dufferin, the only American built vessel in the lot. She was designed on Sir Thomas's order, and was used as a department boat for the fleet.
