## CURE FOR DYSPEPSIA

As is well known, this troublesome complaint arises from over-eating, the use of too much rich food, indigestion, constipation, lack of exercise, bad air, etc. The food should be thoroughly chewed, and never boiled or swallowed in haste. Stimulants must be avoided and exercise taken if possible.

## BURDOCK BLOOD BITTERS

It acts by regulating and toning the digestive organs, removing constipation and increasing the appetite and restoring health and vigor to the system.

## A LONDON DOCTOR

Tells How to Cure Stomach and Liver Troubles.

A distinguished London physician during the course of a recent lecture on stomach and liver troubles, gives the following advice:

"Be moderate in the use of heavy, rich food. Do not eat hurriedly, and do not drink too much. If your habits are sedentary, take a moderate amount of exercise, either walking or swimming, and keep the system in good order by regular use of the bowels."

"Do not use strong cathartic pills, but use a mild laxative, such as the Compound Syrup of Senna, which will keep the bowels in good order, but in reality do injury by weakening the system. If you find it necessary to use a cathartic, stick to the old-fashioned vegetable mixture, viz.:

Thin Extract Cascara..... 1/2 oz.  
Syrup Rhubarb..... 1/2 oz.  
Compound Syrup of Senna..... 1/2 oz.  
Take one teaspoonful after meals and at bedtime.

"This is a gentle, natural way, and its use will keep the bowels in good order, and prevent the effects of strong purgatives."

"The irregularities of the bowels, which are the result of indigestion, should be treated separately, and anyone can mix them at home. This information will be of benefit to our readers, and is worth keeping."
