OCEAN LIMITED WRECKED TUESDAY

Cars all Leave the Track But no One was Injured

The Ocean Limited from Montreal was wrecked on Tuesday morning a short distance from Little Metis. The accident occurred at a sharp curve in Dube's Cut, the cars all leaving the rails the dining car being considerably damaged. The engine kept the rails however and none of the cars toppled over. The passengers were transferred and brought on here safely. The cause of the accident is unknown but it is supposed to have been a broken rail.

ANOTHER BLAZE ON O'LEARY ST.

Fire Destroys House Occupied by H. Teed Early Thursday Morning

Early on Thursday morning fire was discovered in the boarding house owned by Mr. Damboise and occupied by Mr. H. Teed at the corner of O'Leary and Duke Sts.

The fire which was supposed to have started from the kitchen stove had a good hold before an alarm was sent in between three and four and when the firemen arrived the building was well alight.

Four streams were soon playing on the burning building, and although the burning sparks were flying no danger was apprehended as the firemen were careful in watching the surrounding buildings which are closely built together at this point.

The building was completely gutted, the fire being extinguished by seven o'clock. The roof and partitions of the house are all down, the outside walls alone standing and these are in a battered and damaged condition.

With a plentiful supply of water at good pressure there was never any danger, the morning although very cold was without any great wind. The loss is fully covered by insurance.

The firemen were supplied with hot coffee and refreshments by Mrs. O'Keefe, and the Chief on behalf of the department desires to thank her and Miss O'Keefe for their kindness which was very much appreciated.

MAKES BIG HAUL OF STRONG LIQUOR

Liquor License Inspector Seizes Large Quantity of Liquor at Freight Sheds

Following the recent order received from the I.C.R. officials that the Liquor License Inspectors of prohibition or local option towns had the right to search suspicious packages carried over the Intercolonial, Chief Hughes made a call at the freight sheds on Saturday and was rewarded with the largest haul of liquor ever made in Campbellton.

In all some 26 barrels and numerous cases were seized and removed to the police station, none of the packages bearing any name, having only some private marks.

On Tuesday a second call was made at the freight sheds and this time the haul was four barrels.

The new regulations which permits officers of the law to enter any premises on the I.C.R. where freight is kept and inspect, search and seize liquor improperly shipped is certainly stringent enough, and will do much to do away with this traffic on the Intercolonial which heretofore could not be touched.

DALHOUSIE TOWN COUNCIL MEETING

The Assessments for Current Year are Approved as Recommended by Committee

Dalhousie, Feb. 20th.—The regular February meeting of the Dalhousie Town Council was held on Wednesday evening last, beginning at 9 p. m. Present, W. S. Montgomery, Mayor, Aldermen Laviole, McLeod, Elaliger, Shannon and McDonald. Minutes of last regular meeting held Dec. 11, 1912 and minutes of special meeting held Jan. 27th, 1913, read and approved. Considerable routine business was transacted. The following assessment which was recommended by Aldermen D. McDonald, P. M. Shannon and John McLeod, committee on assessment for the year 1913 was approved as follows:—

County tax	\$1365
Town roads and streets	1200
Poor	250
Police	650
Sinking fund	500
Fire hall dept. repairs and hose	150
Town government	250
Interest on debentures	1600

The above assessment is much lower than the previous year. Messrs. McRish, Connors, W. A. Gallop and E. R. Gaudet were appointed assessors.

The variety entertainment which was held in the new Temperance Hall here on Friday evening last was a great success financially and otherwise, the proceeds went to the library fund of St. John's Presbyterian Sunday School, and the Sunday School teachers have reason to be proud of Dalhousie's promising amateurs, as they all took their parts well.

All the actors belonged to town except Miss Grace McEwen, of Maguasha, P. Q., who was frequently applauded for her splendid acting. It is the intention of the young amateurs to give a big entertainment after Easter, the proceeds to be given towards paying the debt on improvements to the Temperance Hall.

The smelt fishing which closed on the 15th inst. was a fair success this year, notwithstanding that the ice formed very late on the Restigouche. Some farmers at Fleury's Point and at Escuminac are from \$500 to \$1000 better off as a result of the fishing. This is very encouraging to them. They stood by their farms. They did not listen to the cry "Go West". With work and perseverance people can make as good a living here as anywhere.

Messrs. Wm. McKinnon and Ebenezer Ferguson, two progressive farmers of this parish left on Tuesday for Fredericton to attend the 38th annual session of the Farmers' and Dairyman's Association. They are delegates from the Dalhousie Agricultural Society.

Mr. Charles Stewart has returned home after spending several days visiting friends in the lower end of Restigouche Co.

Mrs. Joseph Green of Maguasha, her niece, Miss Anderson, teacher and Miss Keays of Nouvelle, P. Q. were visitors to town on Saturday.

Mr. Walter Marquis of Campbellton spent Sunday here and was a guest at the Queen's.

Miss Stella Asker of Campbellton spent Sunday with her cousin Miss Margaret Duncan.

Miss Maggie Cyr of Campbellton is visiting Mrs. Chas. Vermette.

Mrs. Donald McLean of Charlott is visiting her daughter, Mrs. L. D. Jones.

Mrs. Thos. Keays of Fleury's Point P. Q. paid her old Dalhousie friends a visit on Wednesday.

The many friends of Mr. Louis Allain will regret to learn that his health has not been good of late.

The good people of Balmoral, who have labored so zealously in the erection of their fine church and grand presbytery will soon see their work completed. It is now expected that on Easter Sunday new pews and two new alters placed. It is proposed to hold special services of Thanksgiving upon that day.

An eloquent preacher will be invited for the occasion. Our neighbors who have in addition to their handsome church property, have built six new school houses during recent years are to be congratulated. Rev. John Wheeler now parish priest of Pokemouche who began the building of the new church and the Rev. A. McLeish, P. Q., now in charge have great reason to be proud of a success.

What is wanted in Balmoral now is a strong, progressive agricultural movement to be encouraged with the erection of a large agricultural hall for holding meetings, entertainments etc.

Mrs. J. J. McKie has returned to her home after spending some time with her daughter, Mrs. John McLean, River Charlott.

Miss Stella McNeill, stenographer in the employ of D. A. Stewart, M. P. P., Campbellton is spending her vacation at her home in Point la Pique.

Miss Grace Hamilton who was visiting friends in Campbellton returned to her home on Saturday.

Messrs. Hubert McLatchey and John Dewar paid Point la Pique a flying visit Saturday evening.

Miss Ella Hamilton spent the week end with friends in Black Point.

Miss Ella Loane, Bellefleur, accompanied by Miss Emma Miller spent a few days visiting friends in Point la Pique.

Miss Olive Wright, Shannonville, is at present the guest of Miss Jessie Dunn, Dalhousie.

REPORT WAS UNFOUNDED. Mr. Churchill informed Mr. Borgey in the House of Commons the other day that he knew nothing of the rumor that the Admiralty had purchased for £2,000,000 an old floating district in New Brunswick.

LETTER OF CONDOLENCE RECEIVED

Mayor and Council of Fredericton Send Sympathy to Campbellton

Mayor's Office, Fredericton, N. B., Feb. 19th 1913
Mr. John T. Reid,
Town Clerk,
Campbellton, N. B.

Dear Sir:

On behalf of the City Council of the City of Fredericton I desire to convey to the Town Council of Campbellton, and to your citizens generally, the sincere sympathy so openly expressed in this city by reason of the sudden removal of Mayor, Frank M. Murray, Esq.

The late Mr. Murray was well and favorably known here to a large number of our people, all of whom I am sure join with the members of the City Council in this expression of sorrow and regret for the great loss your Town and your people have sustained by this sudden removal from among you of a young man in the midst of life's activities and usefulness, and one whom his fellow citizens had so highly honored.

Your most sincerely,
W. S. Hooper,
Mayor.

CASES IN QUEBEC SUPREME COURT

(Continued from page 1)

The Superior Court maintained the pretensions of the Shives Lumber Company, and dismissed the contractor's action, with all costs against him.

In the case of LeGallais—vs—Atlantic, Quebec & Western Railway Company, the facts were as follows:—

Young LeGallais was working for the New Canadian Company which was contracting the Atlantic, Quebec & Western Railway from New Carlisle to Gaspe Basin. While in the employ of the New Canadian Company, the Company sent LeGallais to work on a train made up of the cars of the Atlantic, Quebec & Western Railway Company. While working on these cars, which belonged to the Railway Company, LeGallais met with an accident which necessitated the amputating of his leg above the knee.

Through his Attorney, Mr. J. A. Mousset, of New Carlisle, he sued the Company, claiming \$10,000.00 damages, and set up that the Atlantic, Quebec & Western Railway Company was responsible for the accident, and had to pay his damages, because the
