

THE LATE MAYOR

BURNS LAID TO REST

(From the Gloucester Northern Light)

The death of His Worship P. J. Burns, Mayor of Bathurst, which occurred on Tuesday of last week has cast a deep gloom over the whole town. While the deceased had been confined to his home for the past month, and it was known that his condition was at times very serious, yet his sudden taking off just when reports from his sick-room were beginning to be very hopeful, came as a shock to our citizens.

The deceased was born in Thomastown, Tipperary, Ireland in July 1845. The family left the "old sod" and settled in Chatham when the late Mr. Burns was still a boy, and from here the future mayor moved to Bathurst in the year 1868. At this time he was employed with his brother, the late Senator Kennedy F. Burns, in the conduct of a mercantile establishment for a firm in Chatham, and in those days no one could have predicted that these two brothers, so unlike in many ways, would in the years following take so large a part in the development of this part of the country.

At a time when the Lumber Industry of the North Shore was in its infancy, and required strong and determined business men to shape its course, Mr. Burns, with his late brother, took an active part in the organization of this industry in Gloucester by taking over the operation of an important mill at Burnsville, up to that time managed by the late Joseph Poirier, ex-M. P. P. Then followed the construction and operation of a large mill on the Nepisiguit River, which continued to be operated by the two brothers up to the time of the death of Senator Burns, when it passed under the control of the firm of Adams Burns & Co., the deceased being the senior member of the firm and most active in its practical management. This property finally passed into the hands of the present owners, the Bathurst Lumber Co., on the retirement of Mr. Burns from active business, three or four years ago.

To the untiring energy and sound business acumen of the deceased and his brother is due in large measure the ultimate success of this important

THE BLOOD IS THE STREAM OF LIFE

Pure Blood Is Absolutely Necessary To Health

"FRUIT-A-TIVES" PURIFIES

These Wonderful Tablets, Made of Fruit Juices, Are The Best Of All Tonics To Purify And Enrich The Blood.

Pure, rich blood can flow only in a clean body. Now, a clean body is one in which the waste matter is regularly and naturally eliminated from the system. The blood cannot be pure when the skin action is weak, when the stomach does not digest the food properly, when the bowels do not move regularly, when the kidneys are strained or overworked.

Pure blood is the result of perfect health and harmony of stomach, liver, bowels, kidneys and skin.

"Fruit-a-tives", by their wonderful action on all these organs, keeps the whole system as clean as Nature intended our bodies to be clean.

"Fruit-a-tives" tones up, invigorates, strengthens, purifies, cleans and gives pure, rich, clean blood that is, in truth, the stream of life.

"Fruit-a-tives" is sold by all dealers at 60c. a box, 6 for \$2.50 trial size 25c. or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

In 1912 when it was decided to incorporate the town, it was a fitting tribute to his sterling worth as a citizen that he should be chosen as the first occupant of the Mayor's chair, a position he well and honorably filled to the day of his death.

The deceased always showed a deep regard for the betterment of the youth of the town, and notwithstanding his advanced years he took a keen interest in all kinds of wholesome sport, having been for five successive years President of the Curling Association, and in earlier years one of the best curlers on the North Shore.

Since the organization of the Bathurst Branch of the C. M. B. A. over twenty years ago, Mr. Burns has been one of its most active and prominent members, having been its first president and occupying other high offices in the years since that time.

From 1895 until 1904, Mr. Burns was manager of the Caraque Railway company, and notwithstanding his very active participation in the development of the lumber industry during those years, he never lost an opportunity of endeavoring to bring the railway up to the requirements of the districts through which it passed.

Through all his life, even when the cares and responsibilities of many important business affairs claimed an immense amount of his time and attention, Mr. Burns continued to give to his church the best that he had. No task was too small or too great when a question of faith was involved, and his loyalty to his belief was such as to constitute an example of more than usual value.

The funeral on last Thursday morning and the impressive religious ceremonies which followed were of just the imposing character that one would expect on the occasion of the last tributes to be paid to the most prominent citizen of the town.

The cortege left the late Mayor's residence, where the remains had been viewed by large numbers of people from near and far, in the following order, under the direction of Mr. P. J. Veniot as Chief Marshal:

Members of Bathurst Branch C. M. B. A.,

Dr. R. G. Duncan, family physician,

Sleigh containing floral tributes,

CAMPBELLTON RETAINS WHITE HOUSE CUP

Eight Rinks of Bathurst Curlers Play Eight Campbellton Rinks

Great interest was taken in the curling matches for the White House cup, which took place at Bathurst and Campbellton on Thursday last.

Unfortunately the weather was very soft and conditions for curling were not the best, but interesting games were played at both towns and the score was close, Campbellton winning by a score of four points only. At Bathurst Campbellton lost by ten points, while on the Campbellton ice, Bathurst lost by fourteen points.

The score was as follows:—

Bathurst	Campbellton
Stout 11	Andrew 14
Gatrain 19	Wetmore 9
Mullins 16	Jardine 13
Rogers 11	Millican 11
Duncan 4	Shives 19
McIntosh 13	Lutz 14
A. Gatrain 12	McKendrick 12
Gammon 15	Wilson 13

The White House cup was on exhibition at the White House, Bathurst, Thursday and Friday and created much interest, and will be played for from year to year by eight rinks of curlers from the Bathurst and Campbellton clubs.

Sheriff O'Brien of Northumberland County;

Judge Matheson of Campbellton, representing the American Consul;

Bathurst and Campbellton Curling Clubs;

Bathurst School Children;

Private citizens.

This long procession accompanied the remains to the Sacred Heart Church where Pontifical High Mass of Requiem was celebrated by Rt. Rev. Louis J. O'Leary, Auxiliary Bishop of Chatham, assisted by Rev. S. J. Doucet of Grand Anse as Assistant Priest, Rev. S. J. Crumley of Blackville as Deacon, Rev. W. E. Sormany as Sub-deacon and Rev. J. Wheten as Master of Ceremonies. His Lordship Bishop Barry assisted in the sanctuary, accompanied by Rt. Rev. Wm. Varriety representing the Bishop of Charlottetown, and Very Rev. E. LeBastard, Provincial of the Eudist Order. Rev. Fathers Merel of the Eudist order and DelaGarde were also in the sanctuary. Bishop Barry, who was for many years the parish priest of Bathurst, addressed the large congregation present and spoke very feelingly of the great work accomplished for the parish by the deceased, and of the great assistance he had always lent to everything that made for the good of the community. His Lordship sang the absolution over the remains, and Rev. Father Wheten performed the last rites at the grave.
