THE TORONTO WORLD FRIDAY MORNING, APRIL 20, 1883.

day at noon. PREPARING FOR THE3D READING. meeting to-morrow afternoon.

The city council will hold a

10 -

Capt. Turner expects to run his The Esplanade Bill Before Parliament to the island to-morrow if the weather A Deputation for Ottawa Again. The deputation of city officials and alder-

A young woman named Susan Guy was men who went to Ottawa to press the passage of the Esplanade bill, returned to committed to the asylum yesterday as a Toronto yesterday afternoon. They had a raving maniac Assistant City Clerk Hill did not resign yesterday. He will do so at the council fight in inducing the government to allow the bill to go to a second reading this neeting to-morrow afternoon.

Boys beware! The deputy chief of po-lice says he will rigidly enforce the fire-cracker nuisance by-law in future. The Royal Metropolitan lodge Mo. 6534, I. O. O. F., hold their angust re-union ession Sir Hector Langevin insisted that it was far too late in the session to bring it before the railway committee of the house of commons. The old chieftain at the head of parliament was then given it straight and he finally consented to allow it to pass this evening in Montague hall, 163 Church the second reading. Ald. Turner said yes-terday that if the bill was defeated on its street.

third reading next Tuesday, he had no ap prehension but that it or a similar bil

would go through next year. At the meeting of the executive commit-tee of the city oguncil last evening ex-Mayor McMurrich and Mr. Stephenson, of the Grand Trank railway, appeared before the committee. Mr. McMurrich said he would allow ter college in this city. The spring sittings of the chancery divi-sion will begin at Osgoode hall on April 26. Next Monday will be the last day for entering actions. Judge Ferguson will preside be pleased if the committee would allow Mr. Stephenson to address them on the Es-planade bill. He said Mr. Stephenson had not varied his proposition on behalf of the Grand Truck railway made some time preside.

A building permit was granted yesterday Ald. Clarke advised the committee not to to Mr. T. B. Taylor for the erection of a two-storey and mansard brick dwelling as the corner of Shuter and Sherbource streets, to cost \$7000. hear Mr. Stephenson. He did not do this through any discourtesy to Mr. Stephen-, The matter was now before the

son. The matter was now before the raflway committee of the house of commons, and anything Mr. Stephenson would say to the committee could not possibly affect the bill. He read a telegram from Ottawa instructing him to insert advertisements in all the city papers informing all the rail-roads interested that the bill would be con-sidered the first thing next Tue-day. The committee was unanimous in declin-The members of Zetland iodge, A F.A.M , paid a fraternal visit to Doric lodge on Wednesday evening. There was a large attendance of the members of each lodge, and a very pleasant time was spent.

The committee was unanimous in declin-ing to hear Mr. Stephenson. The latter centleman announced that it was merely because he happened to be in the city that he wished to speak to the committee. A meeting of the city council will b

and a very pleasant time was spent. It was announced by Mayor Boswell yea-terday that the fifteen members of the To-routo police force who are now guarding Rideau hall, will not return until parlia-ment prorogues, and probably not then. The King street merchants think they are being slighted in the matter of street cleaning. The block pavement is covered with aix to ten inches of mud. Yonge street has been cleaned for days, while King is neglected. held to morrow afternoon, when it is prob-able that the same deputation will be in-structed to proceed to Ottawa to be on the is neglected. Our club, a social organization principally composed of north enders, held their last assembly of the year at the Rossin house. last night. There were over 60 couples is neglected. ground when the third reading of the bill is called. No meeting of the council will be held on Monday.

The Civil Assizes. " Judge Osler presided yesterday at the

not the least. civil assizes. The case of Parsons against At the land auction sale rooms of Lake Smith was continued from Wednesday. A verdict for plaintiff for \$612 was entered Mr. Thomson (Beatty, Chadwick, Thom-Mr. Thomson (Beatty, Chadwick, Inom-son & Blackstock) for plaintiff, Mr. B. B. Osler for defendant. Robson against Blair
was next heard, but not finished when the court rose. This was an action by M. G.
Robson of Port Persy against James B. Blair of Hamilton. Plaintiff took out let-ters of administration on Thos. W. Rob-son's (his half brother) property. Thos.
W. Robson died at Markham village on November 3, 1881. Blair had a a large claim against the estate, which

Mahts for the Bolt Works-The Great Sale on Satu Next-An Opportunity that Shouldn't Re Missed.

The question of how will the Bolt and ron company's works and surroundings be ighted has been asked so many times that it seems necessary for the public to become acquainted with the means and expense em-ployed by the Bolt Works company for, creasing the acilities of lighting both in a d around their factory at the Humber, as well

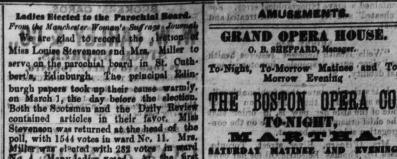

as the illumination of the streets adjoining their grounds. No dull-looking kerose their grounds. So during the second many will here intrude their fitful flickering light, making tlarkness almost hidowi in its gnastliness, but the bright light of mod-ern times, viz, the electric spark will re-veal the night heattier of the lake beach, and throw its pieceing fays upon the water An item in some of the other papers spoke of Frank Turner, C.E., as reeve of York. The office is filled at present by Mr. H. Duncan. The Rev. J. W. A. Stewart, paster of the James street Baptist church. Hamilton, has been offered a professorship in McMas-ter college in this city. of Ontario, a beacon for all lake travel and form, a city of stars, as seen from the distance, either on land or water. That

the distance, either on land or water. That both the bolt and rolling mills of the com-pany will run every working hour that they possibly can, is not for a moment doubted, and the rapid growth of this branch of in-dustry will increase more and more each year, as now and improved pieces of machinery are purchased for the milt. This action will of coarse increase the popula-tion of this district, and to mute the works

machinery are purchased for the milt. This nation will of converse increases the popula-tion of this district, and, to juste the words of an old Torontonian who, upon being in-terviewed yesterday as to the probable pros-pect of this section, hisde the following re-mark: "The men who have got, hold of that anterprise are no fools, they intend to built up a large manufacturing town in that section. They have the money and energy to do so, and if I were 20 years younges and not retired from busices. I would invest quite a such in this section. I would let it lay there and feel safet of a larger dividend that I could ever expect to get twice over in any bank in Casada." ("Why," said the gentleman, "look at the price of land in that section of country; it is as cheep sa dirt, and no man cold fail to make money on his investment, which is sure to turn out profitable." One of the great advantages of the Humber is, that its keeps a clear, opening to the lake and possesses hatural divantages are tarely met with in other places. Next Saturday the great land sale of sub country will again take place and another, chance will be aforded investor of only any will again take place and another, chance will be ent, and although it was the last it was

great land sale of sub-company will again take place and another chance will be afforded investors of all classes to purchase at 20 per cent down, many of those, finely located lots apon the company's property. When it is taken into consideration the splendid advantages afforded by the location of this estate, in such a magnificent district of splendid views, one cannot help com-mending the sagacity of the investor who has already given his cheque for the 20 per cent required by the terms of sale, and who has already from the sale of lands and changing of property into so many hands, reaped an increase upon the value of his lots. & Clark yesterday, the following proper-ties were sold Brick dwelling on Sher-bourne street, to Jno. N. Lake for \$3670; vacant lot, Parliament street, to Thomas Dawswell for \$2625. The Eichberg quartette will appear at the gardens to-night and to-morrow after-noon. They will be assisted by Miss Carrie, Mason, soprano, and Miss Nellie Dwyer, elocutionist. Their entertainment is de-

serving of big honors. To-night will be a gala night among west end young people, since two of their danc-ing circles wind up their winter's sport. The Santmieux give a necktie party in Crocker's hall, and the E. N. (Entrez Nous) Who has already from the second party into so many hands, reaped an increase upon the value of his lots. Royal Grenadier Committees.
Last night at the adjourned annual meeting of the officers of this regiment, the committee, Major Duwson, Capt. Robinson god Lieut. Trotter; rifle committe, Capt. Boomer, Lieut.'s Spencer and Irving: and itors, Capt. Mason and Lieut. Symons. The men were have practising the different tableaux for Tuesday evening, and from mathematical tableaux for Tuesday evening, and from tableaux for Tuesday evening, and from tableaux for Tuesday evening, and from tableaux for the entertainment.
Kow They Settled it
Yesterday three or four witnesses from the county were put out of the assize court during the trial in which they were to testify. They had a consultation as to how

spoke in haste the studyet, for you probably spoke in haste the first time, and then I'll hear your decision." The young man from the east looked down the delicately chased barrel of the re-volver into the placid depth of the eye of the Tombstoner and began to feel that many points in commer and began to feel that

the following and began to feel that many points in grammar are uncertain and liable to grow more so. Then he thought of the corouer's inquest, and of the verdict, "came to his death by standing in front of Colorado Tom's seven shooter," and of the long pine box going east by express, with \$69 charges on it, and before half the three winntee the three the three the three charges on it, and before half the three minutes was up he was ready to acknowl-ye edge his error. "Since he had thought it over calmly," he said, "he believed that 'them hills is right. He had spoken on the spur of the moment." he added, "and begged a thousand pardons for his presump-tuous effort to substitute bad grammar for good." The Tombstoner forgave him they, and, grasping his hand, said: "I know d you'd say yon was wrong after you thought a moment. I admire a man who gives right in without arguing when he knows he's wrong. Come along and irri-gate," And they irrighted.
