Campbelltown. No money was found on the person, but in one of the pockets was a ticket from Chicago to Point Duchen and a beggage check which corresponds with an unclaimed trunk that arrived at Point Duchen on Aug. 8. This trunk is filled with cothing of a superior quality, but no sign of money except a \$5 American counterfeit. The clothing was stamped with the name of James Shaw, La Grange, Cook County, Ill., and in the trunk was found a letter to the same address from his sister at Manitou Springs, Col. It was dated last December, and advised him, as the eldest member of the family, to go on a visit to their mother in Prince Edward Island. The express stops at Campbelltown at midnight for 15 minutes, and it is supposed that Shaw got off for some purpose, and either walked into the river in the darkness or was robbed and thrown in.

Love's Young Dream, Love's young dream was a very bright one, and its fulfilment will be bright, too, if the bride will remember that she is a woman and liable to all the ills peculiar to her sex. We remind those who are suffering from any of these that Dr. Plerce's Favorite Prescription will renew the hue of youth in pale and sallow cheeks, correct irrigiting uterine diseases, arrest and cure ulceration and inflammation, and infuse new vitality into a wasting body. The Best Pills.—Mr. William Vandevoort Sydney Crossing, Ont., writes: "We have been using Parmelee's Pills, and find them by far the best pills we ever used." For delicate and debilitated constitutions these pills act like a charm. Taken in small doses, the effect is both a tonic and a stimulant, mildly exciting the secretions of the body, giving tone and rigos.

We have received from Mr. B. Sawden a copy of the map of "Toronto and suburbs east of the Don," now being published by him. The map is a beautiful specimen of that kind of work, being about six feet by five feet in dimensions, printed in three colors, showing the streets, lanes, etc., in white, the whole being meunted on linen, varnished and complete in first-class style. Residents east of the Don should, and no doubt will, appreciate the map by subscribing for it liberally. The map be said here that Mr. Sawden has, done as good deal of valuable work for the East End during the winter months, not only by using his journalistic abilities in advocating the reclamation of Ashbridge's Bay, but by personal efforts, of which the public generally are not aware. He is at the present time developing further ideas for the benefit of the eastern suburbs, which he will, it is quite certain, endeavor to materialize.
