Interesting to Householders. Probably no textures enter so much into everyday household uses as flannel and hoseknives have long ago found out that the Bon Marche of P. Cousin & Co. is the most reliable store in Toronto to make such purchases. There is no place to the line of goods in this firm, where lines can be had at the lowest prices, consistent with quality. A great rush of trade is now taking place in the part of their establishment devoted to flannels and it is evident that quality and cheapness combined are the attraction. To-day will be sacrificed 500 men's shirts and drawers damaged slightly by water in addition to hundreds of other bargains of an attractive nature.
