**The Happy Economy of S-W Varnish Stain**

**FURNITURE** which has grown shabby can be restored to newness overnight, at the small cost of a can of S-W Varnish Stain. The fine range of colors enables you to match any hard-wood effect.

Be sure you use **SHERWIN-WILLIAMS VARNISH STAINS**. This is important, not only because it will insure you the handsomest possible finish, but because S-W VARNISH STAIN preserves the wood-work, a most important consideration in these days when everything seems to cost so much more.

Certainly it is an economy to use any of the full range of S-W VARNISH STAINS, and a happy economy, too, when you consider how cherished articles of household furniture regain their freshness under your hand!

Remember also, the clear S-W Varnishes—**HAR-NOT** for Floors; **SCAR-NOT** for varnishing Furniture and Woodwork; **REXPAR** for outdoor woodwork.

The SHERWIN-WILLIAMS Booklet "The A. B. C. of Home Painting" is worth reading. We will have a copy mailed to you free on request.

We carry all the S-W Paints and Varnishes. Ask us for color cards or any information you may require.
