

Saves \$24 A Year

Cooking experts figure that the SMP Enamelled Ware Roaster will save the average Canadian family fully \$24.00 a year in meat bills.

You place the roast in the roaster, put on the cover; the roaster does the rest. No basting required. Every roast is perfectly cooked.

The cover fits close, so that cooking odors cannot escape. Grease can't splatter out, which means a sweet clean oven.

Urge Provincial Control to Root Out Corn Borer

Growers in Convention at Chatham Realize Seriousness of Situation See Disaster; Unless Ravages Can be Checked Next Fall Crops May Fail

"That in view of the great increase in the number of the corn borers in the province and the necessity for more general adoption of control measures in the corn industry, it is to be saved, we recommend that the present corn borer act be replaced by an act which will place the enforcement of control measures under the jurisdiction of the province itself, instead of under that of the townships or even of the county, and that such an act be brought into operation in the fall of 1926 in as many counties as the degree of infestation justifies; and that as soon as the act has been passed notice be given to the farmers of these counties, so that they may be prepared to adopt their farm operations accordingly."

The above resolution was passed unanimously by a representative gathering of corn growers from Essex, Lambton, Kent, Elgin, Middlesex and Norfolk counties in Chatham on Friday afternoon last, following an outline of the corn borer situation as it exists in Ontario today, by Prof. L. Caesar, of the O.A.C., and provincial entomologist. The resolution is the recommendation presented to the meeting by the Dominion and provincial entomologists, who have been engaged in this corn borer control work.

Is Provincial Matter Hon. J. S. Martin, minister of agriculture for the province, was present, and in a short address following the passing of the resolution, declared "the thing is so serious that the time has come when we will have to deal with it as a provincial matter." He stated that he would have to deal with it as before the members of the government, and felt that something would be done along the lines suggested. Mr. Martin stressed the great importance of the corn industry, especially the production of Ontario seed corn for the Dominion, and maintained that "unless the borer can be checked it means disaster to the industry."

During his address, Prof. Caesar said: "Frankly I cannot promise the growers they can save their crop next year, no matter what they do. This situation is exceedingly discouraging, and I do not think they will be able to grow corn in the future as extensively as in the past. However I believe that with the general adoption of control measures that within a few years corn can be grown profitably."

sively as in the past. However I believe that with the general adoption of control measures that within a few years corn can be grown profitably.

MASONIC LODGE OF INSTRUCTION

Annual Gathering for Sarnia District in Stewart Hall, Courtright, on Friday, October 23rd

Courtright, Strathroy and Bridgen Lodges will Exemplify Degrees

D.D.G.M. Roy P. Kent has announced that the annual Masonic Lodge of Instruction for Sarnia District will be held in Stewart Hall, Courtright, under the auspices of Moore Lodge, on Friday, October 23rd.

At two o'clock, Wor. Bro. A. B. Clysdale and officers of Moore Lodge, No. 294, will open the lodge in the First Degree and receive the Deputy Grand Master with Grand Honors and exemplify the First Degree. At 4:30 Wor. Bro. Fred G. Conkey and officers of Beaver Lodge No. 83, Strathroy, will exemplify the Second Degree.

Lunch will be served in Cameron's Hotel at 6 p.m., and at 8 p.m., Wor. Bro. W. H. Johnston and officers of Leopold Lodge No. 397, Bridgen, will exemplify the Third Degree.

There are over 3,000 Masons in Sarnia District which includes 21 lodges and a large representation is in attendance each year.

PLYMPTON CHURCH MARKS ITS 55TH ANNIVERSARY

The South Plympton United Church held its anniversary services on Sunday last. The church was built 55 years ago and until union was known as the Brick Presbyterian Church.

Rev. J. P. McLeod, a former pastor, preached at both services to large congregations. Rev. J. Jones, pastor of the church, assisted.

There was special music by an augmented choir, and L. Martin of Wallaceburg, delighted the congregation by singing well-rendered solos at both services. Miss Lorraine Dell gave a suitable violin solo at the evening service.

In the morning Rev. Mr. McLeod took for his subject "The Greatest Thing in the World—Love," and dwelt on the necessity of more thoughtfulness for each other. In the evening he spoke on "Ye Shall Know the Truth and the Truth Shall Make You Free."

Monday evening an excellent chicken supper was served by the ladies of the church. This was followed by a concert given by the Sarnia Male Chorus, consisting of 18 voices.

TURKEYS PLENTIFUL IN PEACE RIVER

Encouraged by the outlet in Eastern Canada for the turkey crop, Alberta turkey raisers are rapidly increasing their output. According to the observations of Mr. J. R. Higgins of the Poultry Division of the Live Stock Branch, who has recently visited the district as far north as Peace River, the present season has been a very favorable one for turkey raising and that shipments east will be heavier than in the past.

The turkey crop for the Valhalla district alone is estimated at between three and four thousand birds and it is thought that there should be a total output in excess of one hundred thousand pounds of dressed turkeys shipped from Grande Prairie tributary points this fall. In the past the breeders from this section have shipped their birds live but this method proved unsatisfactory and steps are under way to organize community turkey kills.

Mr. Higgins further states that a number of turkey raisers in the Peace River district are showing increasing interest in the improvement of their stock and that many farmers made inquiries concerning the purchase of good gobblers.

No Better Medicine For Little Ones

What Thousands of Mothers Say of Baby's Own Tablets

A medicine for the baby, or growing child—one that the mother can feel assured is absolutely safe as well as efficient—is found in Baby's Own Tablets. The Tablets are praised by thousands of mothers throughout the country. These mothers have found by actual experience that there is no other medicine for little ones to equal them. Once a mother has used them for her children she will use nothing else. Concerning them Mrs. Charles Hutt, Tacoma, Wash., writes: "I have ten children, the baby being just six months old. I have used Baby's Own Tablets for them for the past 20 years and can truthfully say that I know of no better medicine for little ones. I always keep a box of the Tablets in the house and would advise all mothers to do so."

Baby's Own Tablets are sold by all medicine dealers or will be mailed upon receipt of price, 25 cents per box, by The Dr. Williams' Medicine Co., Brockville, Ont. A little booklet "Care of the Baby in Health and Sickness," will be sent free to any mother on request.

PLYMPTON

Misses Mabel and Pearl Ba, Wyoming, are visiting the Mrs. Wm. Grieve.

Mr. and Mrs. George Low, are visiting at the home of McEwen and other relatives.

Messrs. Clare and Frank St. Catharines, motored to and spent the weekend with cousin, Miss Lorraine Dell.

Miss Ila Jones, R.N., of visited during the weekend with friend, Miss Gladys McDougall.

Mr. and Mrs. Archie F. B. Spina, spent a few days with daughter, Mrs. Jas. Grieve.

The anniversary service at South Plympton church, were largely attended and evening, Rev. J. Jones, former pastor, preached.

On Monday evening, the per was served by a band following by the Male Orchestra.

NATURE'S WARNINGS

Danger Signals That Everyone Should Take Seriously

Pain is one of Nature's warnings that something is wrong with the body. Indigestion, for instance, is characterized by pains in the stomach, and often about the heart; rheumatism by sharp pains in the limbs and joints; headaches are a sign that the nerves or stomach are out of order. In some ailments, such as anaemia, pain is not so prominent. In this case Nature's warning take the form of pallor, breathlessness after slight exertion, palpitation of the heart, and loss of appetite. What ever form these warnings take, wise people will not ignore the fact that many diseases have their origin in poor blood, and that when the blood is enriched the trouble disappears.

Dr. Williams' Pink Pills are most helpful in such cases because they purify and build up the blood to its normal strength. In this way it tones up the nerves, restores the appetite, and gives perfect health. Miss Hazel Berndt, of Annapolis, Ont., has proved the great value of this medicine and says—"I am a young girl and have been working in a factory for the past four years. For two years I had been in such poor health that at times I could not work. I was thin and pale, and troubled with headaches and fainting spells. I doctored nearly all this time, but it did not help me. My mother advised me to take Dr. Williams' Pink Pills, and after using them for a while I could notice an improvement in my condition. I used nine boxes and can truthfully say that my health is restored. When I began taking the pills I weighed 97 pounds and now I weigh 114. I feel that I owe my good health to Dr. Williams' Pink Pills, and hope other failing people will give them a fair trial."

You can get these pills through any medicine dealer or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

NAPIER

Mrs. Anthony returned after spending a few days in London.

Mr. Herman Bouby attended the fair in London on Thursday.

We are glad to hear that Mrs. McCormick, who had sprained her ankle, is improving.

Mr. and Mrs. Willard Winter motored to Niagara Falls and spent a few pleasant days recently.

We are sorry to hear Miss Belle McIntyre was removed to the hospital in London, and hope for her speedy recovery.

Mr. and Mrs. Basil Smith motored to London and spent a couple of days last week.

The regular meeting of the missionary society was held on Wednesday at the home of Mrs. Robert Bowie with the usual attendance.

The president, Mrs. (Rev.) Mackintosh, opened the meeting by prayer. After singing a hymn the scripture was read by Miss Leon Winter. The lesson was taken by Mrs. Bowie and Mrs. Clothier. The meeting closed by prayer and a dainty lunch was served by the hostess. The next meeting to be held at the home of Mrs. Winter.

Several from here attended the old-time dance at Alvinston on Monday evening.
