**THOMAS GAIN,**

—BREEDER OF—

HIGH-CLASS

**Plymouth Rocks and White Leghorns.**

My Plymouth Rocks are from the yards of that veteran breeder, Sid Conger, winner of more prizes on Plymouth Rocks than any other breeder *in the world*. I purchased prize-winners from him at a big price, and have bred from them some grand birds. EGGS, \$4.00 per 13.

My Leghorns are also prize-winners in the big shows in the United States, and cannot be equalled by any other strain in America for pure white plumage, solid white ear-lobes, fine and evenly serrated combs, and grand station and symmetry. EGGS, \$3.00 per 13.

My breeding stock for the year, both in P. Rocks and W. Leghorns, is bound to fetch prize-winners. I purpose breeding nothing but these two varieties, and am determined to have only the best. Write for circular. A few birds for sale. 1-1f
