REMARKS.

1. The Essays to be given in to the Secretary of the Professors' Court, at the opening of the College, in October, and examinations to be passed through about the same time—the precise days to be afterwards notified.

2. The Essays must be correctly and legibly written, with mottos on the title-pages, instead of the names of the authors.

3. Brevity, when consistent with completeness in the particular treatise, and with perspicuity of style and appropriateness of illustration, will be esteemed a greater excellence than length, characterized by diffuseness.

4. A Student, who may have obtained Bursary No. 4, or No. 14, in any former session, cannot obtain a corresponding Bursary, a second time, though he may compete for it; and if deserving of it his merit will be noticed.

By order of the Professors' Court.

THE CANADA LIFE ASSURANCE COMPANY, HAMILTON,

CONTINUES to grant Assurances upon Lives, and to act generally in any of the great variety of modes practised by Life Offices. It is the only Canadian Company as yet in operation, and whose Funds are invested solely in this Province at high rates of compound Interest, and on the very best Securities, instead of being drained therefrom and invested at the barely remunerative rates obtainable in Great Britain; this, together with the past and daily increasing success of the Institution (literally unequalled by any British Company) fully justifies the Directors in repeating their former assertion, that the advantages it offers cannot be approached by any Company doing business in this Province.

Rates and full particulars may be obtained of **E. BRADBURNE,**

Agent, Albany Chambers.
