

VOLUME XIII, 1885.—INDEX.

INDEX OF PATENTEES.

Abbott, A. V., attachment for oven doors.....	21,769	Anderson, R. M., zig-zag fence.....	21,310
“ N. B., wiring corks in bottles.....	21,096	Andrew, F., manufacture of barrels.....	21,168
“ T. A., plaster for the skin.....	21,425	Andrews, A. H., lumber driers.....	20,886
Abercrombi, I. A., bobbin winders for sewing machines.....	21,664	“ M. L., bridle bit.....	21,189
Acheson, L., machine for manufacturing railway spikes.....	20,983	“ W. D., means for procuring water from the earth.....	22,783
Acme Hub Co., vehicle hub.....	21,288	Andrews, W. D., pump.....	22,786
Adam, G., shingle chamfering machine.....	21,817	“ “ sinking wells.....	22,785
“ W. J., wire fence stays.....	22,756	“ “ wells and pumps for procuring water from the earth.....	22,738
Adams, G. Q., fence machine.....	20,685	Andrews, W. D., wells and reservoirs for procuring water from the earth.....	22,737
“ “ metallic fence.....	21,207	Andrews, W. F., mail bag.....	20,782
Adjustable Elbow and Damper Co., elbows for stove pipes.....	22,136	Andrus, W., machine for making bricks.....	21,127
Agner, F., apparatus for the manufacture of illuminating gas.....	22,747	Anslay, W., ditching machine.....	21,754
Agnew, G., leather boot and shoe.....	22,819	Anthes, J. S., children's vehicle.....	21,662
Alkman, P. A., car coupling.....	22,898	Anthony & Co., E. & H. T., photographic sensitive paper.....	22,280
Ainsworth, E., belt clamp.....	22,550	Anthony & Co., E. & H. T., photographic sensitive paper.....	21,458
Aitkin, R., band-cutter and feeder for thrashing machines.....	21,584	Apple, T. H., scraper and elevator.....	21,831
Akarman, J. N., automatic pole or evener coupler for horse cars.....	21,169	Appleby, J. W., temporary binders for holding blank leaves, etc.....	22,354
Akarman, J. N., card rack.....	21,222	Archer, J. A., et al., water-proof covering for roofs.....	22,081
Akeson, M. et al., fire escape.....	22,538	“ W. S., machine for cording cotton, etc.....	21,994
Albee, H. C., lathe.....	22,607	Archibald, C., et al., automatic tram greaser for greasing trams in coal and other mines.....	21,420
Alderson, J. W., devices for cutting, ploughing, harrowing and marking ground.....	21,753	Argersinger, C. E., et al., cloth boot.....	21,551
Aldred, R. & F., et al., harvester binder.....	21,580	Armitage, E., et al., valve for wind instruments, such as cornets.....	21,814
Alexander, M. C., et al., floor clamp.....	20,790	Armour, M. C., oil stove.....	20,930
Allen, C., et al., harness.....	21,936	“ “ gas and oil stove.....	20,929
“ C. E., telephone.....	22,072	Arms, H., et al., stook car.....	21,104
“ J. et al., water alarm indicator.....	22,610	Armstrong, A. H., bit-holder.....	21,219
“ J. M., process of making paper pulp and paper.....	20,946	“ G. D., machine for wringing clothes.....	22,018
“ J. M., manufacture of paper and paper board.....	22,458	“ J. B., carriage and sleigh body.....	21,514
“ “ manufacture of pulp and paper.....	22,314	“ J. P., harrow.....	21,399
“ L. G., fire and water-proof paint.....	22,385	Arndt, A. F. R., combined bedstead and wardrobe.....	22,380
Allender, C. P., child's crib.....	20,798	“ “ door stop.....	21,267
Alley, H., planing saw.....	21,305	Arnold, B. W., draw bar for locomotives.....	21,576
Allison, J., et al., sulky plough.....	22,079	Arthur, E., carbureter.....	22,424
Ambler, J. A., type writer.....	22,658	Arts, G. L., vehicle spring.....	20,900
Ambrose, W., movable stove pipe stop collar.....	22,469	Asher, G., chemical engine.....	22,595
American Brake Co., centrifugal governor for automatic car brakes.....	22,741	Ashworth, G. & E., bend of carding engine.....	21,491
American Brake Co., cylinder and piston.....	22,744	Askins, J., churn.....	22,044
“ “ locomotive brake.....	22,743	Atlas Engine Works, steam engine governor.....	22,133
“ Press Association, stereotype or electrotype plate holder.....	20,738	Augier, M. A., et al., boots and shoes.....	21,451
American (The) Ship Windlass Co., looking gear for windlasses.....	22,827	Austin, J., automatic gate.....	21,980
American Spring Button Co., button for boots and shoes.....	20,809	Averell, J. D., et al., gas governor.....	21,445
Ames, A. E., combination of writing paper and envelope.....	20,976	Avery Gas Co., manufacture of vaporous and gaseous fuel, illuminating gas, etc.....	22,724
“ J. H., automatic brake for railway cars.....	21,108	“ R. B., manufacture of vaporous and gaseous fuel, illuminating gas, etc.....	22,724
“ W., machine for shearing sheets of cardboard, etc.....	20,966	Ayers, T., apparatus for the manufacture of illuminating gas.....	22,747
Amos, M., apparatus for cramping or compressing.....	22,517	Babcock, J. F., et al., neck scarf.....	22,130
		Bach, J. C., shaft press.....	21,251
		Bachand, L. C., medicinal compound.....	21,881
		Backus, A., boiler furnace.....	20,844
		“ “ furnace.....	20,955
		Bacon, J. H. & E. S., et al., waste valve.....	22,795
		Baggerley, R. J., composition of materials for damp proof socks, or soles for boots and shoes.....	21,429
