THE FAR-FAMED MEDICINE.

HOLLOWAY'S PILLS.

SURPRISING CURE OF A CONFIRMED ASTHMA, AF-TER FIVE YEARS' SUFFERING.

The following testimanial has been sent to Professor Hollowing testimanial has been sent to Professor Hollowing testimanial has been sent to Professor Hollowing, by a Gentleman named Middleton, of Scotland Road. Liverpool.

Sin,—Your Pins have been the means, under Providence of restoring me to sound health after five years of severe affliction. During the whole of that period, I suffered the most dreadfol attacks of Asthma frequently of several weeks' duration, attended with a violent longh, and continual spitting of phicy intermixed with blood. This so shook my constitution that I was unfitted for any of the active duties of the I was attended by some of the most omivent medical men of this town, but they falled to give me the slightest relief. As a last remedy I tried your Pills, and in about three months they effected a perfect cure of the disease, totally cradicated the cough, and restored tone and vigour to the chest and ogestive organs.

I am, Sir, your obedient Servant.

(Signed) II. MIDDLETON,

(Signed) Dated Jan. 1st, 185... A PERMANENT CURE OF A DISEASED LIVER OF MANY YEARS' STANDING.

Copy of a Letter from Mr. Gamis, Chemist, Yeovil, to Professor Holloway.

DEAR SIR.—In this district your Pills command a more extensive sate than any other proprietory medicine before the public. As a proof of their efficacy in Liver and Bilious Complaints, I may mention the following case. A tady of this town with whom I am personally acquainted for years was a severe sufferer from disease of the Liver, and digestive organs; her medical attendant assured her that he could do nothing to relieve her sufferings, and it was not likely she could survive many months. This announcement naturally caused great alarm among her friends and relations, and they induced her to make a trial of your Pills, which so improved her general health that she was induced to continue them until she received a perfect cure. This is twelve months ago, and she has not experienced any symptoms of relapse, and often declares that your Pills have been the means of saving her life.

I remain, Dear Sir, yours truly,

Nov. 23rd, 1852. (Signed) J. GAMIS.

Nov. 23rd, 1852. (Signed)

AN ASTONISHING CURE OF CHRONIC RHEUMATISM AFTER BEING DISCHARGED FROM THE HOS-PITAL INCURABLE.

Copy of a Letter from W. Moon, of the Square, Winchester.

To Professor Hollowar,

To Professor Hollowar,

Sin,—I beg to inform you that for years I was a sufferer from Chronic Rheumatism, and was often laid up for weeks togesher by its sovero and painful attacks. I tried every thing that was recommended, and was attended by one of the most eminent Surgeons in this town, but obtained no richef whatever, and teaing that my health would be entirely broken up. I was induced to go into our County Hospital, where I had the best medical treatment the Institution afforded, all of which proved of no assittant I came out no better than when I went in I was toward lists, to try you. P. Is, and by persevering with them was perfectly cared, and enabled to resume my occupation, and although a considerable period has elapsed I have feet no return whatever of the complaint.

I am, Sir, your obliged Servant, (Signed) W. MOON.

AN EXTRAORDINARY CURE OF DROPSY. AFTER SUFFERING FOR LIGHTLEN MONTHS. Copy of a Later from Mr. G. Briggs, Chemist, Goole, dated February 14th, 1853.

To Phoresson Holloway,

To Professor Holloway,

Sir,—I have much pleasure in informing you of a most surprising cure of Dropy, recents effected by your valuable incomines. Captain Jackson, of this place, was affleted with Dropy for apwards of eighteen months, to such an extent that it caused his body and limbs to be much swollen, and water oozed as it were from his skin, so that a daily change of apparel came necessary, notwithstanding the various remedies tried, and the different medical meniconsuited, all was of no avail, until he commenced using your Phis, by which, and a strict attention to the priated directions he was effectually cured, and his health perfectly re-established. If you deem this worthy of publicity, you are at liberty to use it.

I am, Sir, yours respectfully.

(Siglied) G. BRIGGS,

These celebrated Pills are wonderfully efficacious in the follow ing complaints.
