

Poetry.

WHEN IS THE TIME TO DIE.

I ASKED the glad and happy child
Whose hands were filled with flowers,
Whose silvery laugh ran free and wild
Among the vine-wreathed bowers;
I crossed her sunny path, and cried,
"When is the time to die?"
"Not yet! not yet!" the child replied,
And swiftly bounded by.

I asked a maiden: back she threw
The tresses of her hair;
Grief's traces o'er her cheeks I know,
Like pearls they glistened there;
A flush passed o'er her lily brow,
I heard her spirit sigh;
"Not now," she cried, "Oh, no! not now;
Youth is no time to die!"

I asked a mother, as she pressed
Her first-born in her arms,
As gently on her tender breast
She hushed her babe's alarms;
In quivering tones her accents came,
Her eyes were dim with tears;
"My boy his mother's life must claim
For many, many years."

I questioned one in manhood's prime,
Of proud and fearless air;
His brow was furrowed not by time,
Or dimmed with woe or care.
In angry accents he replied,
And flashed with scorn his eye;
"Talk not to me of death," he cried,
"For only age should die."

I questioned age; for him the tomb
Had long been all prepared;
But death, who withers youth and bloom,
This man of years had spared.
Once more his nature's dying fire
Flashed high, and thus he cried,
"Life! only life, is my desire!"
Then gasped, and groaned, and died.

I asked a Christian—"Answer thou,
When is the hour of death?"
A holy calm was on his brow,
And peaceful was his breath;
And sweetly o'er his features stole
A smile, a light divine;
He spake the language of his soul—
"My Master's time is mine!"

THE INFALLIBLE REMEDY!

HOLLOWAY'S OINTMENT.

KRYSIPRAS OF EIGHT YEARS DURATION CURED!
Copy of a Letter from Geo. Sinclair, Esq., of Paris, Canada, dated the 18th July, 1854.

TO PROFESSOR HOLLOWAY.

Sir,—I feel a pleasure and a pride in bearing witness to the wonderful benefit I have derived by the use of your inestimable Ointment and Pills. For eight years I suffered unceasingly from attacks of erysipelas; large purple blotches came all over my body; in addition to the unpleasant feeling of itching and burning, which affected me both night and day, rendering life a misery to me, as well as to all around—so severe was the attack. I used several reputed remedies without deriving the least cessation to my misery. At last, I determined to try your Ointment and Pills: after taking them for a few weeks, a visible improvement took place, and I feel considerably better;—in three months, by continuing with your medicines, I was completely cured, and now enjoy the best of health. The truth of this statement is well known here, hence there is no necessity for me to request accretion.

I am, Sir, yours respectfully,
(Signed) GEO. SINCLAIR.

ULCERS IN THE LEG.—REMARKABLE CURE.
Copy of a Letter from Mr. Edward Tomkinson, of Cape Breton, Nova Scotia, dated the 4th May, 1854.

TO PROFESSOR HOLLOWAY.

Sir,—My sister, Miss Jane Tomkinson, suffered for a great number of years from a bad leg: in which there were several deeply seated and old wounds, defying the skill of some of the most eminent of the medical faculty; a variety of remedies were also used unsuccessfully; and it seemed to me that there was not any thing capable of mitigating the agonies she endured. At length, she had recourse to your Ointment and Pills, and after using them for about five weeks, she was completely cured, after all other means had failed to afford her the slightest relief. I have no objection to these facts being published, if you feel disposed to make them known.

I remain, Sir, your most obedient Servant,
(Signed) EDWD. TOMKINSON.

A BAD BREAST CURED WHEN AT DEATH'S DOOR!
Copy of a Letter from Mr. Henry Malden, of Three Rivers, Canada West, dated July 9th, 1854.

TO PROFESSOR HOLLOWAY.

Sir,—My wife suffered most severely after the birth of our last child with a bad breast. There were several holes in it, one as large as a hand, all the devices and stratagems I tried would not heal them, but assumed an aspect more frightful than before, and horrible to behold. As a last resource I tried your Ointment and Pills, which she persevered with for seven weeks, at the expiration of that time her breast was almost well, by continuing with your remedies for two more weeks, she was entirely cured and we offer you our united thanks for the cure effected.

I am, Sir, yours truly,
(Signed) HENRY MALDEN.
