CONTRACTS OPEN.

GRAND FORKS, B.C. — Negotiations for a loan for waterworks construction are in progress.

DELHI, ONT. — Improvements will be made this fall to the Methodist church, at a cost of \$1,300.

EEL RIVER, N. B. — It is said that Mr. Matheson, of Springhill, will erect a saw mill at this place.

NELSON, B.C. — The Church of England congregation will build a new church, for which tenders have been invited.

BARRIE, ONT. — Competitive plans are invited for a House of Refuge, to be built by the county.

SHERBROOKE, QUE. — A deputation will petition the Minister of Militia to build a new drill shed here.

SIMCOE, ONT. — The township of Windham will borrow the sum of \$793 for drainage work in said township.

CHICOUTIMI, QUE. — There is talk of the erection of a large hotel here, the promoters being a strong company.

VANCOUVER, B. C. — The Remington Company hope to secure a bonus of \$100,000 from the city for the erection of a smelter.

AMHERST, N.S. — Tenders have been invited for the erection of a fire station and town hall, to be of brick, with stone trimmings.

PETERBORO, ONT. — The town council is taking steps to secure the erection, by the Dickson Company, of a saw mill in this town.

SHAWVILLE, QUE. — The Ronald Fire Engine Works, of Brussels, Ont., are urging the village to purchase a fire engine instead of constructing a waterworks system.

GRAND MERE, QUE. — It is stated that the Laurentide Pulp Co. will spend \$1,000,000 this year in construction work, including the erection of a number of cottages.

KASLO, B. C. — The ratepayers have voted on a by-law to raise \$12,000 for improving streets and extending water mains. The result of the vote has not yet been learned.

FERGUS, ONT. — By-laws have been passed providing for the construction of cement walks. The ratepayers will be asked to provide the sum of \$3,000 for a new high school.

AMHERSTBURG, ONT. — Mr. Scotten has commenced the excavation for a large block, to include store, telegraph and telephone and post office. It is also his intention to erect a new hotel.

WELLINGTON, B.C. — The question of a water supply is again under consideration. Long Lake has been suggested as the source of supply, the utilization of which would entail an expenditure of \$3,000.

CHARLOTTETOWN, P. E. I. — The gas works at the eastern end of the city have

been sold to Mr. H. R. Lordly, C.E., of St. John, representing a syndicate of capitalists. The plant will be remodelled.

FREDERICTON, N. B. — A proposition is being considered by the city council to ask authority from the legislature to borrow from \$30,000 to \$50,000 to be expended next year on street improvements.

LENNOXVILLE, QUE. — At a meeting of the corporation of Bishop's College, held last week, the question of college extension was referred to a committee. This committee will report to the corporation before the close of the present year.

GUELPH, ONT. — It is said that two residences will shortly be erected on the property of the late John Mayberry, corner Oxford and Dublin streets. — Mrs. Duncan has purchased a site on Woolwich street on which she will erect a brick residence.

CHILLIWACK, B. C. — It is rumored that the congregation now worshipping on the camp ground have in contemplation the erection of a modern church edifice, a site for which has not yet been selected. It is expected the building will be erected next year.

PENBROKE, ONT. — It is said to be the intention of the council to submit a by-law to the ratepayers to raise funds for the construction of a system of sewerage. The cost is estimated at \$16,000. — The Ottawa & Parry Sound Railway Co. are said to be negotiating for the extension of their line to this town.

ROSSLAND, B. C. — Mr. Shaughnessey, of the C. P. R., has stated that the company will build into Rossland at once, and that the necessary capital would be furnished to erect a smelter in the vicinity. — The architects of the town have been invited to submit competitive plans for a new school building.

KINGSTON, ONT. — Power & Son, architects, have invited tenders for improvements and extensions to brick houses on Queen street, for J. B. Carruthers. — W. Newlands, architect, is taking tenders this week for the erection of a residence, corner Princess street and University avenue, for Dr. H. R. Duff.

CHATHAM, ONT. — Dr. Bryce, secretary of the Provincial Board of Health, was in the city recently in connection with the reconstruction of the sedimentation basin. He advised, as the best method to pursue, to give the wall a slope of about two to one, cutting away from the top, and facing the wall with cobble stones set in puddled clay.

HULL, QUE. — A new iron bridge will be constructed across the Lievre river, between Masson and L'Ange Gardien. The chief engineer of public works for Quebec recently selected a site for the bridge. — Mr. H. J. Beamer, of the Ottawa and Gatineau Valley and Pontiac & Pacific Junction railways, was recently in the city in connection with the extension of the
