FOR SALE.

A splendid chance for investment—the well known "Kline" Granite Quarries, situated about 3 miles from the centre of the city, containing over 500 acres, with 3 good quarrying openings, well equipped with derricks and tools; steam and horse hoists; also stone saw and polisher. Easy access to any part of the property. As there are 3 good sized lakes on the property, there could be a profitable ice business established.
