Labor Omnia Vincit! PUTTNER'S EMULSION

Has obtained the highest medical reputation of any other preparation known, and soon after taking it one is sensible that it is "not a bogus preparation" but performs all that it claims.

Read what the Rev. P. J. Filleul says: WYOMOUTH, N. S., May 6, 1881.

C. E. PUTTNER, PH. M.:

Dear Sir,—I have used your Emulsion myself, and so have members of my family, and must say with signal benefit. Soon after taking it one is sensible that the article is not a "bogus" preparation, but all that it claims to be.

I am 62 years of age, undertaking the performance of three full Services each Lord's day, besides week-day duties, and I am occasionally greatly indebted to your Emulsion for the tone and vigor in which I am able to go through the physically oppressive duty.

I have recommended it to parties suffering from coughs, colds, debility, &c., and I am thankful to add that the results have in every instance been attended with most beneficial results.

Wishing you all success, and with every good wish, I am, Dear Sir, very faithfully yours, P. J. FILLEUL, Episcopal Minister.

PUTTNER'S EMULSION.

I ESTEEM IT A SOVEREIGN REMEDY. HALIFAX, N. S., Feb. 7, 1881.

MR. C. E. PUTTNER, PH. M.:

My Dear Sir,—My physician having recommended me your Emulsion, and having used it for some time, I esteem it as a sovereign remedy. It has cured me quicker than anything I ever used, and I have no trouble taking it, as it digests so easily.

Yours truly, Mrs. A. GLASS, 97 Cornwallis St.

PUTTNER'S EMULSION.

A GREAT DESIDERATUM. C. E. PUTTNER, PH. M.:

Dear Sir,—I have much pleasure in stating that having had occasion to use the "Cod Liver Oil Emulsion with Iron and Hypophosphites," prepared by Mr. C. E. Puttner, containing as it does iron in combination, I find it everything that could be desired where such a compound is required. It is also quite palatable, which is a great desideratum in all preparations of Cod Liver Oil.

The Watch.

The winter time table of the I. C. R. comes into effect on Monday, 21st inst.

Several large stops of fine mackerel have been made at St. Margaret's Bay, Western Shore, Halifax Co., during the past week. One man stopped 250 bbls. and another 300 bbls.

The Moncton Sugar Refining Co. are still extending. They have just completed an addition, about 50 feet square, to their store house, and have added a piece about 20 by 24 feet in size to their barrel factory.

As an evidence of the development of British Columbia it may be noted that the exports of fish from that Province which in 1872 amounted to only \$37,706, and in 1876 to \$71,338 for the year ending last June amounted to \$400,484.

Woodstock, Nov. 12.—The Mayor placed the Town Hall, well lighted and warmed, at the disposal of any homeless ones yesterday and last night. St. Luke's congregation will worship in the Town Hall tomorrow. Great difficulty is experienced by many burned out to find homes; the Mayor has been diligently enquiring after the needed. The losses foot up above one hundred thousand dollars.

THE AVERAGE BOY

and a good-sized lump of maple candy, form the materials from which we might deduct self-evident conclusions regarding the facility with which attachments are formed in early life, when the circumstances are at all favorable. Among other good illustrations we might also particularize the case of the little fellow, who, as an inducement to his indulgent maternal relative to make an addition to his customary dose of

Robinson's Phosphorized Emulsion, suddenly brought the matter to a focus by exclaiming, appealingly—"Just gim' me one more teaspoonful and I'll go right off to sleep."

Prepared solely by Harrington Bros., Pharmaceutical Chemists, St. John, N. B., and for sale by Druggists and General Dealers. Price \$1.00 per bottle; six bottles for \$5.00.

A Good Thing from the States.

In this age of quackery, it is consoling to discover that there is something solid in existence, and that, though there are vendors who lie most cheerfully about their wares, there are others who tell the truth and allow time to test the merits of what they offer for sale. A year after year rolls over, the frauds and the shams sink away out of sight in the pools and morasses of obscurity, while what is really good and true stands boldly forth all the grander for its age and solidity. Thus while within the present decade thousands of patent medicines, pushed at one time to inflation, have shrunk before the test of analysis, ST. JACOB'S OIL has bravely borne the strain, and is to-day renowned all over the world for its famous curative powers. It is truly one of the phenomena of the age we live in. The sale of this article is incredible. It is to be found all over the civilized world and in a good many places which are not civilized—for, unfortunately, the bones of sorrowing man are racked and ache with pain no matter what region his habits—and we believe it is yet destined to be found in every house, and to supersede the many nostrums which still remain abroad to rob and defraud humanity of its money and its health. The firm of A. Vogeler & Co., Baltimore, spend half a million dollars yearly in advertising St. Jacob's Oil, and hence we may guess at the full extent of their enormous business. It is truly marvelous, or would be, did we not know the circulation of this inestimable blessing.

A World of Good.

One of the most popular medicines now before the American public, is Hop Bitters. You see it everywhere. People take it with good effect. It builds them up. It is not as pleasant to the taste as some other Bitters as it is not a whiskey drink. It is more like the old fashioned bone set ton that has done a world of good. If you don't feel just right try Hop Bitters.—Yonkers News.

Deaths.

HAMILTON.—At her father's residence, near St. Thomas' Church, Skiff Lake Settlement, Parish of Canterbury, N. B., on the 29th October, after a brief illness, which she bore with Christian resignation to the Divine Will, Elizabeth Frances, daughter of Mr. James Hamilton, aged 20 years, leaving a sorrowing father and mother, brothers and sisters, and a large circle of relatives and friends to mourn their loss. She died in a blessed hope of a glorious resurrection. She was a dutiful and an affectionate daughter, and an exemplary Christian, beloved by all, but especially by those who were intimately acquainted with her. It is the hope that she now sleeps in Jesus that supports her afflicted parents and friends. On the sad occasion the obsequies were conducted, and a sermon preached by the Rev. Thomas Haytin, retired Rector of Canterbury. St. Thomas' Church was densely thronged. The remains of the deceased young lady were followed to the grave by a large concourse of relatives and sympathizing friends, who came to pay their tribute of regard to the memory of the departed.

MOZER.—At Amherst, on the 3rd inst., Silas C. Morse, aged 77 years.

PEABODY.—At Douglas, York County, N. B., on Thursday morning, 3rd inst., after a painful illness of six weeks, Kate Patterson, wife of Isaac Peabody, in the 26th year of her age.
