GOOD NEWS .- A Protestant minister writing over the signature James Begg Cameron D. D. (we know not to what particular sect a Convener belongs, or how to classify him) -- makes some very cheering admissions as to the progress of Catholicity in Scotland. In that land so long plunged in heretical darkness, the light of Catholic truth is once more beginning to dawn, and promises to spread and increase even unto the perfect day. Here is what the Convener says upon the subject, and by way of stimulating the No-Popery zeal of his brother heretics to the establishment of an anti-Catholic Institute of Scotland:-

The need of such an Institute is every day becoming more apparent, for there never was a time since the Reformation when so loud a call was addressed to Protestants to be up and doing. Whilst our Re-forming fathers have gone to their rest and reward, s new generation has grown up in comparative ignorance of the principles of the Reformation, and of their sufferings and struggles. Rome has meanwhile been stealthily acquiring great social and political power. A large number of the English clergy have gone over to her ranks. Many of the great and no-ble of the land have been caught in her snares. The Government now trains her priests, pays her teachers, employs her emissaries in almost every depart-ment at home and abroad. A number of Jesuits have lately settled in Edinburgh, in addition to all pre-rious agents of Rome, and, from the large sums placed by the Romish Propaganda at the disposal of the Scottish Bishops, it is evident that a great strug-gle to subvert the Reformation is about to be made. To expose and resist all such attempts, and to seek to hand down the blessings of the Reformation in incrossing measure to the latest posterity, must be regarded as a paramount duty and great privilege by the people of God. Rome is uniting her forces to support any and every Government that will comply with her ever increasing demands. At the present rate of progress her complete tri-

umph in Britain must be regarded as only a question of time, whilst the experience of every continental nation proves that she is as deadly an enemy as ever to the blessed Gospel, and to every form of human li-berty and progress. We be to Britain if she ever again becomes supreme. In these circumstances it is surely high time that our future Ministers, should be thoroughly versed in the old controversy of the Re-formation, and that all our people should be prepared for the struggle to which they must be inevitably exposed, unless all that is dear and that was so dearly purchased is to be resigned without a struggle.

P.K.

PHILADELPHIA, June 13, 1857. Mesers. Perry Davis & Son.—Gents.—For more than a year I was afflicted with a troublesome cough, attended with a yellowish frothy expectoration, and great emaciation followed. Whether it was a liver or lung cough I knew not, but there was an incessant tickling sensation in my chest. Calling one day at the office of the United States Journal, of this city, one of the proprietors strongly recommended me to try your Pain Killer. I sent and got the article, and was helped immediately, and am now well. This was last March. I withhold my address as my family and myself are averse to notoriety. That what I have written is solemn truth, is well known to the proprietors of the Journal. I write under the influence of grateful feeling. Yours truly, AMICUS.

THE OXYGENATED BITTERS.

Nature, in her great laboratory, has stored some remedy adapted to every disease which "flesh is heir to." But it requires the investigation and research of the philosopher to discover and apply this remedy. Such research and investigation has succeeded in discovering a remedy for that most afflictive dispensation, the DYSPEPSIA1

With all its lesser and numerous evils; and it may be safely asserted that until the appearance of the Oxygenated Bitters a case of Dyspepsia cured was a rare experince in medical practice. Now under the influence of these Bitters the rule is to cure, the rare

An Obdurate and Inveterate Case of DYSPEPSIA CURED BY THE OXYGENATED BITTERS.

The following from a gentleman well known in the region in which he lives ought to satisfy all those of little faith:

WATERTOWN, N.Y., July 28, 1858. S. W. Fowle & Co., Boston, -Sirs: -Nine years since I was attacked by that curse of all diseases,

Dyspepsia, which so affected me as to cause great oppression, fullness, and bloating of the bowels immediately after eating, accompanied with terrible pains in the stomach, often occasioning nauses, vomiting, acidity, and headache, together with general debility and suffering, altogether rendering life a burthen.

After having tried every known remedy without effect, and despairing of ever regaining my lost bealth, I was induced to make use of the Oxygonated Bitters, the good effects of which were immediately visible on my health and system. Before using a whole bottle I was entirely cured; and I feel a pleasure in inducing all like sufferers as myself to make use of this remarkable remedy. THEO, CALDWELL.

From Dr. Edward Bogd, Bultimore.

Dear Bro. Ayer: I cannot answer you what complaints I have cured with your Pills better than to say all that we ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

Pittaura, Parametro, Pa., May 1, 1855.

Billous Disorders -- Liver Complaints. From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of billous complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR.
Washington, D. C., 7th Feb., 1856.

Sir: I have used your Pills in my general and hospital practice ever since you made them, and do not healthe to say they are the best cathartle we caupley. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Hospital.

Dysentery, Diarrhos, Relax, Worms. From Dr. J. G. Green, of Chicago.

Your Fills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dyscutery and diarrhaa. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

From Dr. J. P. Vaughn, Montreal, Canado. From Dr. J. P. Vaughn, Montreal, Canado.

Too much cannot be said of your Pills for the cure of costineness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although had enough in itself, is the progenitor of others that are worse. I believe costineness to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston. I find one or two large doses of your Fills, taken at the proper time, are excellent promotives of the natural scention when wholly or partially suppressed, and also very effectual to cleanse the stomach and cepel norms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church. From the tite. Dr. Matters, of the Methodst Epis. Church.

PULASKI HOUSE, Savannah, Ga., Jan. 6, 1876.

HONORRO Sin: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic paths, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzic, I tried your Pilis. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.
