

MORSE'S LAMMAN'S FLORIDA WATER, from its great celebrity in the South America and West Indian markets, for which for twenty years it was exclusively manufactured, has been extensively imitated in this country. Now, however, the original article has been introduced, and as it bears the distinctive mark of the proprietors may be readily distinguished by its external form from the simulated preparations. The internal tokens of genuineness are still more unmistakable, for 'Murray & Lamman's Florida Water' has the odor of the fresh tropical flowers and plants from which it is prepared, and exposure to the air increases the delicacy of the aroma, instead of producing a sickening effluvia as is the case with toilet waters scented with strong essential oils. 187 Agents for Montreal:—Devins & Bolton, Lamplough & Campbell, A. An Old Physician's
Testimony.

READ:
Waterbury, Vt.
Nov. 24, 1858.

Although I do not like the practice of Physicians recommending, indiscriminately, the patent medicines of the day, yet after a trial of ten years, I am free to admit that there is one medicine before the public that any Physician can use in his practice, and recommend to the public with perfect confidence; that medicine is Rev. N. H. Down's Vegetable Balsamic Elixir.

I have used it myself with the very best success, and now when ever I am troubled with a Cough or Cold, I invariably use it. I can cheerfully recommend it to all who are suffering from a Cough or a Cold, for the Croup, Whooping-Cough, and all diseases tending to Consumption, and to the Profession as a reliable article.

I am satisfied of its excellence beyond a doubt, having conversed personally with the Rev. N. H. Down about it. He informed me of the principal ingredients of which the Elixir is composed, all of which are Purely Vegetable and perfectly safe.

WISTAR'S BALSAM
— OF —
WILD CHERRY

Has been used for nearly

HALF A CENTURY.

With the most astonishing success in Curing

Coughs, Colds, Hoarseness, Sore Throat, Influenza, Whooping Cough, Croup, Liver Complaint, Bronchitis, Difficulty of Breathing, Asthma, and every affection of

THE THROAT, LUNGS AND CHEST,

Including even

CONSUMPTION.

There is scarcely one individual in the community who wholly escapes, during a season, from some one, however slightly developed, of the above symptoms—a neglect of which might lead to the last named, and most to be dreaded disease in the whole catalogue. The power of the 'medicinal gum' of the Wild Cherry Tree over this class of complaints is well known; so great is the good it has performed, and so great the popularity it has acquired.

In this preparation, besides the virtues of the Cherry, there are commingled with it other ingredients of like value, thus increasing its value ten fold, and forming a Remedy whose power to soothe to heal, to relieve, and to cure disease, exists in no other medicine yet discovered.

CERTIFICATE FROM L. J. RACINE, Esq., of the Minerve:—

Montreal, C.E., Oct. 20, 1858.

S. W. Fowle & Co., Boston—Gentlemen,—Having experienced the most gratifying results from the use of Dr. Wistar's Balsam of Wild Cherry, I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly affected with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me, summer or winter. In October the symptoms increased alarmingly, and so reduced was I that I could walk but a few steps without resting to recover from the pain and fatigue which so slight an exertion occasioned. At this juncture I commenced taking the Balsam, from which I found immediate relief, and after having used four bottles I was completely restored to health. I have used the Balsam in my family and administered it to my children with the happiest results. I am sure that such Canadians as use the Balsam can but speak in its favor. It is a preparation which has only to be tried to be acknowledged as the remedy *par excellence*.

Your obedient servant, L. J. RACINE.

CURE FOR WHOOPING COUGH.

St. Hyacinthe, C.E., Aug. 21, 1856.

Messrs. Seth W. Fowle & Co., Gentlemen.—Several months since a little daughter of mine, ten years of age, was taken with Whooping Cough in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bottle of your Dr. Wistar's Balsam of Wild Cherry. In three hours after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. I have since recommended the Balsam to many of my neighbors, who have used it, and in no case have I known it fail of effecting a speedy cure.

You are at liberty to make any use of the above you think proper. If it shall induce any body to use your Balsam I shall be glad, for I have great confidence in it.—Yours,

P. GUITTE,
Proprietor of the Courier de St. Hyacinthe.

CITIZEN OF CORNWALL.

Cornwall, C.W., Dec. 29, 1853.

Messrs. S. W. Fowle & Co., Boston—Gentlemen.—Having experienced the beneficial results of Dr. Wistar's Balsam of Wild Cherry, in my own person and with other members of my family, in cases of severe coughs and colds, I unhesitatingly give you my testimony, believing it to be the remedy 'par excellence' for all diseases of the throat and chest, and would sincerely recommend it as such.—Yours, &c.,

JOS. TANNER.

FROM A HIGHLY RESPECTED MERCHANT

I with pleasure assert that Dr. Wistar's Balsam of Wild Cherry, is, in my belief, the best remedy before the public for coughs and pulmonary complaints.

Having tested the article with myself and family, in cases of severe coughs and colds, for years, with uniform and unexceptionable success, I unhesitatingly recommend it with full confidence in its merits.
