J. M. COURTNEY, Dep'y Min of Fin.

## A SECRETER OF PROPERTY PROPERLY ARRESTED.

The Court of Appeal this morning decided to restore in vigor the writ of *capias* under which Mr. Cloutier, of Winnipeg, had been arrested here, on suit of Gault Bros. The history of this case is as follows: About the first of January last, to meet maturing and overdue bills, Mr. Cloutier was obliged to borrow ten thousand dollars from the banks, which he did, upon a note endorsed by his brother, to secure whom against loss he gave him a chattel mortgage on his stock. Under the laws of Manitoba, the chattel mortgage covered, not only the stock on hand at the time, but such stock as might subsequently be placed in the store. Further, the law of Manitoba does not require the immediate registration of chattel mortgages, and this mortgage was not registered. Mr. Cloutier subsequently came to Montreal, and, his standing being apparently good, obtained from Montreal wholesale dealers goods to the value of \$9,000, odd. These were forwarded to Winnipeg, and upon his return there, he obtained advances upon the warehouse receipts, with which he paid some favored creditors. Portions of the goods were delivered to other favored creditors, and another portion was brought to the store. Then the chattel mortgage was registered, and subsequently Mr. Cloutier assigned, when it was found that his ordinary creditors would receive about two cents in the dollar. The Montreal creditors had him arrested for fraud and brought to Montreal. Remanded by the magistrate, he was released on bail.

As he left the Court House, he was again arrested on *capias*, issued at the instance of Gault Bros., Sons & Co. Mr. Cloutier's lawyers moved to annul this *capias* on the following grounds: First, that no sequestration had been done in the province of Quebec, secondly, that there had been no sequestration in Manitoba, and the writ of *habeas* was not recognized in that province, and, thirdly, Mr. Cloutier had been brought here under collusion, being arrested in Winnipeg on a pretended criminal charge, the real object being to bring him within reach of the civil proceeding. The court below quashed the *capias* on the first ground, namely, that the acts of sequestration with fraudulent intent, alleged against Mr. Cloutier, had not been committed within the province. Messrs. Gault then appealed.

The Court of Appeal, with Mr. Justice Hall as spokesman, was unanimous in reversing this decision. The legal points were discussed at length by the learned judge, who concluded that the resident of another province, who has committed sequestration of his property and is found here, may be arrested, exactly as a resident of the province of Quebec would be. The debtor's property, wherever it is, is the pledge of his debts, therefore the sequestration, which he makes, even in a foreign country, does the same kind of injury to his creditors here as sequestration in this province would do. The abstract right of *capias* does not at all depend upon the place where the sequestration is said to have taken place. The court also decided that there was nothing to prove that Mr. Cloutier had been brought here on a criminal charge merely for the purpose of effecting his arrest on *capias*.

—It is now possible for a man in Halifax to carry on a conversation by telephone with a man in St. John, a distance of 300 miles. Hitherto, messages had to be repeated at Amherst, but the two telephone companies concerned have instituted what is known as a double metallic circuit. The voice, it is said, is carried with perfect directness.
