BAND AND CIRCULAR RE-SAWS

are a necessity in a saw mill. They increase the capacity of a mill one-third when logs are small, by slabbing heavy and re-cutting all slabs on re-saw, using a 19-gauge blade.

They make two plump boards out of a bad face deal.

Transfers supply them and not over four extra men required to run one.

If some large mills can use three and four, you can surely find one profitable. Will be pleased to send you particulars and prices.

THE ONLY ONE—

There is one, and only one publication devoted to Credit Men and their peculiar interests. It was launched in 1892 and has never varied its original purpose—that of serving the credit men of the country. It is not a publication of diversified and scattered interests with a "Credit Man's Department," it is **THE CREDIT MAN'S MAGAZINE** first, last and all the time. If you are a credit man it's likely you are already a subscriber (most of the credit men are). If, however, you are not on the list, send for free sample copies and terms. (Mention *Monetary Times*.)

"It is not in vainglorious boasting . . . but in the calm confidence of well prepared and well-tested strength, that the British American Business College stands to-day the peer of Canadian Colleges."

British American Business College

Y. M. C. A. Building, Corner Yonge and McGill Streets, TORONTO.

DAVID HOSKINS,
Chartered Accountant, Principal.

Our Graduates are successful in their after Business Career.

This College includes among its graduates Hugh Blain and W. D. Matthews, ex-presidents of the Toronto Board of Trade; W. K. McNaught, secretary-treasurer of the American Watch Case Co., Toronto; R. T. Coady, Toronto City Treasurer; and others prominent in business and financial circles.

For several years past the President of the Toronto Board of Trade has made it a kindly and helpful custom to present annually a gold medal to the student of this College displaying the best general knowledge of the subjects in the commercial courses. During their respective terms of office as president, Messrs. H. N. Baird, Stapleton Caldecott, E. B. Osler, M.P., Edward Gurney, Elias Rogers, and A. E. Kemp, have been visitors at the College, addressed the students and made a presentation of the Board of Trade medal to the successful student. Professor Goldwin Smith, LL.D., presented a gold medal to the most successful shorthand graduate.

"As an old graduate of your College (1867), I can cheerfully bear testimony to the value of your educational training which I am thoroughly satisfied is at present both better and more practical in every way than it was in my time. The more I see of men and affairs the more highly I value the knowledge gained by the instruction afforded by your College."—W. K. McNAUGHT.
